SECTION III. INFORMATION CONCERNING THE RFQ PROCESS

A. General Rules and Provisions Governing this RFQ

1. **Invitation to Negotiate:** The issuance of this RFQ constitutes only an invitation to submit an RFQ Response to Broward Health and for the awarded Bidder to negotiate the terms of a contract with Broward Health. Broward Health reserves the right to determine, in its sole discretion, whether any aspect of the RFQ Response satisfies the criteria established in this RFQ.
2. **Non-Mandatory & Discretionary:** No provision in the RFQ is intended as a mandatory restriction or a limitation on the lawful authority and discretion of Broward Health. Broward Health reserves the right to waive, at any time prior to the acceptance of an RFQ Response, any RFQ procedure or requirement that is not made mandatory under Florida law.
3. **Qualified Bidders:** Broward Health will consider all qualified Contractors that meet the requirements and specifications outlined in this RFQ.
4. **Request for Information:** Broward Health reserves the right to request additional clarifying information from Bidders after RFQ Responses are opened, but before entering into a contract with any Bidder, as may be determined necessary, in Broward Health’s sole and absolute discretion, to assist in the evaluation of any RFQ Responses timely submitted.
5. **Agreement to RFQ’s Terms:** Contractor’s submission of an RFQ Response shall constitute Contractor’s representation to Broward Health that the Contractor is familiar with and agrees to comply with the contents of this RFQ and the terms and conditions contained herein. Any changes to this RFQ’s terms are null and void and without any force and effect unless otherwise explicitly agreed to by Broward Health in writing. Submitting a Response with changes to any terms of this RFQ may result in rejection of the Bidder’s Response.
6. **Modifications:** Broward Health reserves the right, in its sole and absolute discretion, to change any of the terms and conditions of this RFQ at any time.
7. **Headings and Severability:** The headings contained in this RFQ are for reference purposes only and shall not affect in any way the meaning or interpretation of this RFQ. When the context requires, the gender of all words includes

the masculine, feminine, and neuter, and the number of all words includes the singular and plural. If any provision of this RFQ is deemed to be invalid or unenforceable, the remainder of the terms of this RFQ shall be valid and enforceable.

8. **Non-Conformance and Rejections:** Broward Health reserves the right to accept or reject, in whole or in part, for any reason whatsoever, any or all RFQ Responses submitted. RFQ Responses that are not submitted on time and/or do not conform to Broward Health's requirements will not be considered.
9. **Irregularities:** Broward Health reserves the right to waive any formalities of or irregularities in the RFQ process.
10. **Withdrawals and Cancellations:** Broward Health reserves the right, in its sole and absolute discretion, to withdraw, postpone, or cancel this RFQ at any time, including after an award is made and contract negotiations have begun. Broward Health further reserves the right to re-advertise and reissue this RFQ, which may or may not be modified to meet the current needs of Broward Health.
11. **Site Visits and Presentations:** Broward Health reserves the right to conduct site visits to Contractor's business location(s) and/or may request that Contractor participate in live presentations. The selection of a Contractor may be based in whole or in part upon the result of site visits or live presentations.
12. **General Description:** Broward Health understands that the supplies, products, equipment, software or services requested in this RFQ may vary from company to company in technique and material. All specifications set forth in this RFQ are to be considered and construed as a general description of function, purpose, and performance of the items desired. Any use of brand names or catalog numbers in the specifications is intended only as a description of the type of product and does not restrict bidding to any endorsed product. No RFQ Response will be disqualified from consideration where items offered by the Bidder are substantially equivalent in quality, purpose and standards, even though it does not correspond exactly to the description contained in the specifications. Where differences exist, they shall be separately identified in an addendum to the RFQ Response with a specific and concise explanation of what differences exist and why such differences do not substantially deviate from the quality, purpose and standards of the items specified. Further data on such differences shall be provided if requested. The items and sizes shown on specification sheets are estimated requirements. Actual purchases may be more or less than quantities shown on specifications, but only the actual quantities required will be purchased.
13. **Disclaimer:** The issuance of this RFQ and the receipt of information in response to this RFQ shall not, in any way, cause Broward Health to incur any liability, financial or otherwise. Broward Health assumes no obligation to reimburse and shall have no liability to any Contractor for any costs, losses, or expenses incurred by Contractor in connection with submitting an RFQ Response or otherwise. Broward Health reserves the right to use the information contained in any Response in any manner Broward Health deems appropriate.
14. **No Benefit to Broward Health Employees and Officers:** No Broward Health employee or officer shall have any ownership or monetary interest in, share in the benefits of, or be a part of any contract, either directly or indirectly, related to this RFQ. Additionally, no Broward Health employee or officer shall personally benefit monetarily or otherwise as a result of the execution of any contract related to this RFQ.
15. **Conflict of Interest and Ownership Disclosure:** There shall be no dealings between any Contractor and Broward Health that might be construed as a conflict of interest. All Contractors shall provide Broward Health with any and all information pertaining to any dealings with Broward Health that might be construed as a conflict of interest. Broward Health has adopted, implemented, and codified its Conflict-of-Interest Policy within its General Administrative Policy Manual, Policy No. GA-001-015. As such, by submitting a Response to this RFQ, all Contractors acknowledge and agree to read and to abide by Broward Health's Conflict of Interest Policy, a copy of which is posted on the "Current Opportunities" page of Broward Health's vendor website and is incorporated herein by reference. Furthermore, Contractor shall complete Broward Health's Conflict of Interest and Disclosure Questionnaires along with Broward Health's Disclosure for Physician Ownership and Financial Arrangements Questionnaire (available in Broward Health's Vendor Registration System under the "Ownership & Affiliation" tab) as part of its RFQ Response.
16. **Cone of Silence:** To ensure fair consideration for all Contractors, Broward Health prohibits communication to/or from any member of Broward Health's Board of Commissioners or any Broward Health official, department, division, or employee during the submission process, except as otherwise provided for herein. Additionally,

Broward Health prohibits communications initiated by a Contractor to any Broward Health official, employee, or committee evaluating or considering the RFQ Responses (“Selection Committee”) prior to the time an award decision has been made. Any communication between a Contractor and Broward Health in order to obtain information or clarification needed to develop a proper and accurate evaluation of the RFQ shall be subject to the specific requirements of this RFQ and shall always be directed to bids@browardhealth.org. Communications initiated by a Contractor to any other Broward Health commissioner, officer, employee, or agent regarding this RFQ may be grounds for disqualifying the offending Contractor from consideration for an award of a contract and/or any future bids or responses from Contractor. Such decision to disqualify or prohibit Contractors from consideration for an award on this RFQ or on future projects shall be in Broward Health’s sole and absolute discretion.

17. **Questions:** Questions during the bidding process regarding the RFQ process and protocol as well as technical questions regarding the scope of work should be directed via e-mail only to bids@browardhealth.org. Questions regarding the scope of work must be submitted by the Vendor Inquiry deadline as delineated on the RFQ Summary Page, as amended by applicable addenda.
18. **Tax-Exempt Status.** Broward Health is a tax-exempt entity (State Tax Exempt Certificate No 85-8012646292C-5) and is not obligated to and shall not pay sales, use or other similar taxes. If Broward Health is not exempt for a particular tax, it will reimburse Contractor for those taxes. Contractor shall assume full responsibility for payment of all federal, state, and local taxes or contributions imposed or required under unemployment insurance, Social Security, and income tax laws, with respect to Contractor’s performance of this Agreement.
19. **Owner-Direct Purchases.** Because Broward Health is a tax-exempt entity, rather than reimburse a contractor for the costs of the materials or supplies, which would include sales tax, Broward Health may determine, in its sole and absolute discretion, it is in its best interest to use its tax-exempt status to purchase materials or supplies on its own directly from its own suppliers or from suppliers or subcontractors designated by an awarded Contractor. Contractor understands and agrees that in such event, Broward Health shall deduct from the awarded contract the cost of the materials and supplies and the amount of sales tax that would have been owed if the Contractor had made the purchase or the actual amount stipulated in the contract for such materials or supplies.
20. **Public Entity Crimes:** Section 287.133(2)(a), Florida Statutes, provides that a person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in § 287.017, F.S., for CATEGORY TWO for a period of thirty-six (36) months from the date of being placed on the convicted vendor list created by Florida’s Department of Management Services pursuant to § 287.133(3)(d). Contractor’s Response shall include a verified certification that Contractor has not been placed on the convicted vendor list within the last thirty-six (36) months. Such certification form is attached to this RFQ and incorporated herein by reference.
21. **Scrutinized Companies:** Section 287.135(2)(a), Florida Statutes, prohibits a company from bidding on, submitting a proposal for, or entering into or renewing a contract for goods or services of any amount if, at the time of contracting or renewal, the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to § 215.4725, Florida Statutes, or is engaged in a boycott of Israel. Section 287.135(2)(b), Florida Statutes, further prohibits a company from bidding on, submitting a proposal for, or entering into or renewing a contract for goods or services over one million dollars (\$1,000,000) if, at the time of contracting or renewal, the company is on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, both created pursuant to § 215.473, Florida Statutes, or the company is engaged in business operations in Cuba or Syria. The foregoing prohibitions may be waived by Broward Health if the company meets the conditions provided under § 287.135(4)(a), Florida Statutes, or if Broward Health makes a public finding that, absent such an exemption, Broward Health would be unable to obtain the goods or services for which this RFQ is offered. With its Response, Contractor shall, consistent with the requirements of § 287.135(5), certify that Contractor has not been placed on any of the foregoing lists and is authorized to bid on or submit a proposal in

response to this RFQ and, if awarded, enter into a contract to provide the goods or services for which this RFQ is offered. Such certification form is attached to this RFQ and incorporated herein by reference.

22. **RFQ Awards:** Broward Health reserves the right to award the contract under this RFQ to a Contractor or Contractors based on a complete RFQ Response, on any portion of an RFQ Response, or on any particular items of an RFQ Response, as it deems to be in the best interests of Broward Health.
23. **RFQ Disputes, Administrative Remedy:** If a Contractor disputes any matter arising out of this RFQ or the RFQ process, including the award of the Contract, Contractor shall provide written notice of dispute to Broward Health's Vice President, Supply Chain/Chief Procurement Officer at bids@browardhealth.org, no later than (a) five (5) business days after this RFQ or any amendment/addendum to this RFQ is issued if protesting or challenging any of the terms or conditions of this RFQ or an amendment/addendum, or (b) five (5) business days after the date of Notice of Intent to Award is given by Broward Health if protesting or challenging an award. Failure of a Contractor to timely provide its written notice of dispute shall be deemed a waiver of the dispute by the Contractor. The written notice of dispute must: (1) adequately identify the solicitation or Contract number; (2) set forth a detailed statement of the legal and factual grounds of protest, including copies of relevant documents; (3) provide a statement as to how the protestor is interested and aggrieved; and (4) state the relief requested. Within sixty (60) days from the date of receipt of the Contractor's written and timely dispute, the Vice President, Supply Chain Services/Chief Procurement Officer ("CPO") will render a written decision on the dispute and forward the decision to the Contractor pursuant to the terms of Broward Health's Master Procurement Code then in effect. A Contractor may appeal this decision by giving written notice of appeal to the Senior Vice President/Chief Financial Officer ("CFO") of Broward Health at bids@browardhealth.org, within five (5) business days after receipt of the CPO's written decision. The timely notice of appeal must: (1) adequately identify the solicitation or Contract number; (2) attach a copy of the decision being appealed as rendered by the CPO, or his or her designee; (3) set forth a detailed statement of the legal and factual grounds for the appeal; and (4) state the relief requested. The notice of appeal shall also be accompanied with copies of the Contractor's original notice of dispute and any other documents the Contractor requests to be considered. Failure of a Contractor to timely give written notice of appeal shall be deemed a waiver of the appeal by the Contractor and the CPO's decision shall be considered final. The CFO shall render a written decision within ninety (90) days after receipt of the timely notice of appeal and forward the decision to the Contractor pursuant to the terms of Broward Health's Master Procurement Code then in effect. The CFO's written decision shall state the reasons for the decision, actions taken, if any, and shall be the final order on the protest. The burden in any protest or appeal pertaining to this RFQ is on the party filing the protest or appeal to establish that the intended action by Broward Health is materially contrary to Broward Health's governing statutes, its Charter, this Code, Broward Health's Policies and Procedures, or this RFQ's specifications. The standard of proof for such proceedings shall be whether the intended action by Broward Health would be clearly arbitrary or capricious. The institution and filing of an appeal, and obtaining a decision from the CFO thereon, is an administrative remedy to be satisfied as a condition precedent to the institution and filing of any civil action against Broward Health concerning the action or intended action by Broward Health.
24. **Preference to Florida Businesses:** Pursuant to § 287.084, Fla. Stat., purchases of personal property through competitive solicitation and the lowest responsible and responsive bid, proposal, or reply is by a vendor whose principal place of business is in a state or political subdivision thereof which grants a preference for the purchase of such personal property to a person whose principal place of business is in such state, then the agency, university, college, school district, or other political subdivision of this state shall award a preference to the lowest responsible and responsive vendor having a principal place of business within this state, which preference is equal to the preference granted by the state or political subdivision thereof in which the lowest responsible and responsive vendor has its principal place of business. In a competitive solicitation in which the lowest bid is submitted by a vendor whose principal place of business is located outside the state and that state does not grant a preference in competitive solicitation to vendors having a principal place of business in that state, the preference to the lowest responsible and responsive vendor having a principal place of business in this state shall be 5 percent. To the extent that this RFQ is a solicitation for personal property, all Bidders submitting a Response whose principal place of business is located outside of Florida must accompany their written Response with a written opinion of an attorney at law licensed to practice law in that foreign state, as to the preferences, if any or none, granted by the law of that state to its own business entities whose principal places of business are in that foreign state in the letting of any or all public contracts.

25. **Preference to Businesses with Drug-Free Workplace Programs:** Pursuant to § 287.087, Fla. Stat., whenever two or more bids, proposals, or replies that are equal with respect to price, quality, and service are received for the procurement of commodities or contractual services, a bid, proposal, or reply received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process.
26. **Social, Political, or Ideological Interests in Government Contracting:** In accordance with § 287.05701, Fla. Stat., an awarding body may not request documentation or consider a vendor's social, political, or ideological interests when determining if the bidder is a responsible bidder, and an awarding body may not give preference to a bidder based on such social, political, or ideological interests. Accordingly, any award of a contract pursuant to this RFQ shall not be based on any such social, political, or ideological interests and Broward Health shall not require any responsive bidder to provide any documentation pertaining to any such social, political, or ideological interests.
27. **Access to Books and Records:** To the extent applicable, under the Omnibus Reconciliation Act of 1980 and in accordance with 42 C.F.R. § 420.300 *et seq.* and with Section 1981 of the Social Security Act (42 U.S.C. § 1395x(v)(1)), until the expiration of four (4) years after the furnishing of services pursuant to any agreement, Contractor shall, upon receipt of a written request, make available to the Secretary of the U.S. Department of Health and Human Services, the Comptroller General, or any of their duly authorized representatives, any agreement, books, documents, and records of Contractor that are necessary to certify the nature and extent of costs incurred by Broward Health under any agreement. If Contractor carries out any of the duties of any agreement through a subcontract with a value or cost of \$10,000 or more over a 12-month period, with a related organization, such subcontract shall contain a clause to the effect that until the expiration after furnishing of such services pursuant to such subcontract, the related organization, upon receipt of a written request, shall make available to the Secretary of the U.S. Department of Health and Human Services, the Comptroller General, or any of their duly authorized representatives, the subcontract, and books, documents, and records of such organization that are necessary to verify the nature and extent of costs incurred by Broward Health by reason of the subcontract.

2. PRE-BIDDERS MEETING/SITE VISIT

To the extent a Pre-Bidders Meeting will be held, or to the extent that such Pre-Bidders Meeting is mandatory, it shall be so designated and take place at the date and time provided in the RFQ Summary Page, as amended by applicable addenda. A Pre-Bidders Meeting is intended to review the Scope of Work requested in this RFQ. Failure of a Bidder to attend a mandatory Pre-Bidders Meeting may result in rejection of the Bidder's Response by Broward Health. Because subsequent Pre-Bidders Meetings may not be scheduled, Bidders may, but are not required to, bring subcontractors to the Pre-Bidders Meeting. If a Pre-Bidders Meeting is held, it is requested that Bidders who will be attending the Pre-Bidders Meeting RSVP no later than twenty-four (24) hours prior to the Pre-Bidders Meeting by sending an email to bids@browardhealth.org. Please put in the subject line: "RSVP – Pre-Bidders Meeting/Site Visit for [Project Name]." It is recommended that Bidders bring a copy of this RFQ document to the meeting.

3. VENDOR INQUIRY DEADLINE

Questions regarding the RFQ process and/or the Scope of Work must be sent via **email only** to bids@browardhealth.org. Questions regarding the Scope of Work must be sent no later than the Vendor Inquiry Deadline provided in the RFQ Summary Page, as amended by applicable addenda. Broward Health will provide a response to all timely-received questions regarding the Scope of Work via a written addendum to the RFQ that will be shared with all Bidders by posting such addendum at <https://vendor.browardhealth.org/pages/current-opportunities>. All addenda issued for this RFQ must be acknowledged by each Bidder via the Addendum Acknowledgement Form attached to this RFQ. If addenda are issued for this RFQ and the Bidder fails to submit the Addendum Acknowledgement Form with the Bidder's Response, the Bidder will be contacted by the Bids Department and given two (2) business days to submit the Addendum Acknowledgement Form. Failure to submit

the Addendum Acknowledgement Form when an addendum is issued or failure to acknowledge all addenda issued for this RFQ in the Addendum Acknowledgement Form may result in rejection of the Bidder's Response.

Please see the "General Rules and Provisions Governing this RFQ" Section for additional details regarding communications with Broward Health concerning this RFQ.

4. RESPONSE DUE DATE

RFQ Responses **must be received no later than** the Response Due Date provided in the RFQ Summary Page, as amended by applicable addenda. RFQ Responses which are not received by Broward Health's Bids Department by the Response Due Date as indicated in the RFQ Summary Page (unless amended via an addendum), for any reason whatsoever, will not be accepted or considered. Any disputes regarding timely receipt of an RFQ Response shall be decided in the favor of Broward Health.

5. RFQ PUBLIC OPENING

The RFQ Public Opening will be held on the date, time, and location specified on the RFQ Summary Page, as amended by applicable addenda. There is no Contractor participation during the RFQ Public Opening and attendance is not required.

6. EVALUATION AND SELECTION PROCESS

The evaluation and selection process is composed of the following two (2) parts:

i. *Evaluation and Ranking*

First, a committee, organized to evaluate and review RFQ Responses (the "Selection Committee"), shall review all timely submitted RFQ Responses with respect to completeness, accuracy, and content and determine which vendors are responsive and responsible. The Selection Committee will then rank the pool of qualified Bidders from the lowest bid quotation submitted to the highest bid quotation submitted, taking into consideration any adjustments for Quote Price Tolerance (see below in Section III.D.), and provide the results to the CPO for review.

ii. *Awards and Contract Negotiations*

Following the CPO's approval, contract negotiations will commence with the qualified Bidder(s) that submitted the lowest bid, to enter into a contract for the specified term, along with any renewals, indicated in the RFQ Summary Page. If Broward Health is unable to negotiate a satisfactory contract, for any reason, Broward Health shall formally terminate negotiations with the lowest qualified Bidder and shall then undertake negotiations with the next lowest qualified Bidder. If negotiations with the next lowest qualified Bidder should fail, then Broward Health reserves the exclusive right, at its own discretion, to repeat this process with the remaining Bidders. Should Broward Health be unable to negotiate a satisfactory contract with any of the Bidders, Broward Health shall, at its sole discretion, either cancel or withdraw this RFQ or select additional Bidders who submitted Responses and continue negotiations in accordance with this paragraph until an agreement is reached.

Broward Health reserves the right, in its sole and absolute discretion and for any or no reason, to reject all Responses and reissue (or not reissue) this RFQ.

C. Response and Submission Instructions

1. **Contractor Registration:** All Contractors must be a registered vendor with Broward Health in order for a Response to be considered and for the Contractor to contract with Broward Health. If a Contractor is not registered with Broward Health by the RFQ Public Opening Date, then any RFQ Response submitted by an unregistered Contractor will not be considered. Additionally, all subcontractors must be a registered vendor with Broward Health if Contractor intends to use such subcontractors to provide the services or goods requested under this RFQ. Registration must be completed in Broward Health's Vendor Registration System, which can be accessed via Broward Health's website at www.browardhealth.org/registration.

All questions regarding the Registration process should be directed to Vendor Relations at (954) 473-7289 or via email to vendorrelations@browardhealth.org.

2. **Responses:** Contractors must submit the requisite number of Responses indicated in the RFQ Summary Page with Contractor's name clearly printed on the front cover page. **A complete copy of the entire Response must be included as one document in PDF format.** *To the extent Contractor is asserting any exemptions under Florida's Public Records Laws to its Responses or any other materials provided or sent to Broward Health, Contractor shall provide such Responses and materials with redactions in the manner described in the Section entitled "Important Notice Regarding Public Records," below.*
3. **Complete Responses:** All submitted RFQ Responses must be complete. If the Disclosure for Conflicts of Interest and Physician Ownership & Financial Arrangements Questionnaires (available in Broward Health's Vendor Registration System under the "Ownership & Affiliation" tab); Sworn Certificate Under § 287.133 of Florida Statutes, Public Entity Crime Provision; Vendor Certification Regarding Scrutinized Companies; Signature Authorization Form; and/or any of the required Forms are not included as part of the Response, Contractors will be advised and will be allowed two (2) business days to provide the missing documents. Should the Contractor not provide the documents within the two (2) business days provided, the RFQ Response shall be deemed incomplete and may not be accepted, unless waived by the Selection Committee for good cause.
4. **Response Submissions: Pages must be numbered.** Supplemental information may be attached to the Response but must be designated as such. Broward Health reserves the right to request additional clarifying information from Bidders after Responses are opened but before entering into a contract with any Bidder as may be determined to be necessary, in Broward Health's sole and absolute discretion, to assist in the evaluation of any Responses timely submitted.

THE FILE NAME MUST ALSO CONTAIN THE WORD "REDACTED" TO DIFFERENTIATE IT FROM THE NON-REDACTED SUBMISSION.

A FAILURE BY CONTRACTOR TO PREPARE AND LABEL THE EXEMPT OR CONFIDENTIAL AND EXEMPT PORTIONS OF ITS RFQ RESPONSE OR OTHER MATERIALS SUBMITTED TO BROWARD HEALTH IN THE MANNER SPECIFIED ABOVE ("UNREDACTED MATERIALS") SHALL CONSTITUTE A COMPLETE WAIVER BY CONTRACTOR OF ANY APPLICABLE EXEMPTIONS FROM DISCLOSURE OR ANY CONFIDENTIAL STATUS INCLUDING ONES THAT MAY BE APPLICABLE TO TRADE SECRETS UNDER FLORIDA LAW. D. Small Business Enhancements and Small Business Subcontractor Requirements

Broward Health is committed to ensuring the participation of certified Small Business Vendors in its procurement of goods and services. Broward Health's certified Small Business Vendors include, without limitation, Small Business Enterprises (SBEs) approved by one of Broward Health's Certification Partners as detailed more fully below. Pursuant to this commitment, Broward Health, by an act of its Board of Commissioners, has adopted and implemented its Economic and Small Business Development Initiative aimed at encouraging the economic growth and development of small businesses. The provisions and guidelines of this Initiative are located in Broward Health's General Administrative Policy No. GA-001-045 and is accordingly reflected in Broward Health's Master Procurement Code. In accordance therewith, Broward Health, at its discretion, may apply a Small Business Enhancements to ensure the participation of certified Small Business Vendors in the procurement process. To the extent a Small Business Enhancement has been approved for this RFQ, as determined consistent with the Broward Health's General

Administrative Policy No. GA-001-045, it shall be so designated in the RFQ Summary Page, as amended by applicable addenda.

1. QUOTE PRICE TOLERANCE SMALL BUSINESS ENHANCEMENT

To the extent applicable (as denoted on the RFQ Summary Page), Small Business Enhancements consisting of a Quote Price Tolerance will be awarded to Bidders who are Broward Health certified Small Business Vendors. A Quote Price Tolerance allows for such certified Small Business Vendors to be awarded the low quote, if the lowest quote received by the certified Small Business Vendor is within the approved Quote Price Tolerance percentage of 5% (up to \$25,000) of the lowest acceptable bid.

Shown below is the Small Business Enhancement criteria:

2. To be eligible for Small Business Enhancements, if applicable to this RFQ, certified Small Business Vendors **MUST** submit a copy of their certification evidencing their status from a Florida governmental agency or a federal governmental agency ("Certification") with their RFQ response. CERTIFIED SMALL BUSINESS SUBCONTRACTING REQUIREMENT

This RFQ may contain a certified Small Business Vendor subcontracting requirement. To the extent this RFQ contains a Certified Small Business Vendor subcontracting requirement, it shall be noted in the RFQ Summary Page, as amended by applicable addenda. Should you have any questions regarding Broward Health's Economic and Small Business Development Initiative, please contact the Office of Economic and Small Business Development (OESBD) at 954-473-7205 or email Supplierdiversity@browardhealth.org. If a certified Small Business Vendor subcontracting requirement is required pursuant to this RFQ, the following guidelines shall apply to any final contract negotiated between the parties.

- a. **Participation Percentage.** The Contractor agrees to utilize Certified Small Business Vendor subcontractors ("SBV Subcontractor") to perform no less than the percentage of subcontracting work indicated on the RFQ Summary Page, as amended by applicable addenda.
- b. **Subcontractor Registration.** All subcontractors utilized by the Contractor to perform any work requested in this RFQ must be a registered vendor with Broward Health. It is the Contractor's responsibility to ensure that all subcontractors (regardless of Certification status) are properly registered with and approved by Broward Health prior to utilizing such subcontractor. Registration must be completed in Broward Health's Vendor Registration System, which can be accessed via Broward Health's website at www.browardhealth.org/registration.
- c. **List of Subcontractors.** No later than issuance of any Notice to Proceed or any Purchase Order, the awarded Contractor shall submit to Broward Health a list confirming the identity of the proposed SBV Subcontractors that will be participating in the services and/or goods to be provided pursuant to this RFQ. The awarded Contractor shall specify the dollar amount for each SBV Subcontractor. Each proposed SBV Subcontractor must qualify as a certified Small Business Vendor with one of Broward Health's SBV Certification partners as indicated above. The awarded Contractor shall bind each and every SBV Subcontractor to the terms stated in the final contract and shall require the proper licensing of such SBV Subcontractor.
- d. **Subcontracts.** Within a reasonable time after issuance of any Notice to Proceed or any Purchase Order (not exceeding 30 days), the awarded Contractor shall submit to Broward Health a copy of all fully executed subcontracts entered into to perform the services or provide the goods requested within this RFQ. Broward Health shall be notified of all subcontracts which may terminate during the Term of the awarded contract.
- e. **Monitoring SBV Utilization Report.** Along with the awarded Contractor's invoice and billing reconciliation report, the awarded Contractor shall also submit a certified Small Business Vendor Utilization Report ("Utilization Report"). Such Utilization Report shall include the Certification status of each SBV Subcontractor utilized, the subcontract value and percent, current reporting period payments, payments made to date, and remaining payments to be paid to each SBV Subcontractor. The awarded Contractor shall utilize this Utilization Report to indicate the amount of monetary SBV Subcontractor participation. Further, the last Utilization Report submitted shall also set forth the total SBV Subcontractor participation that was achieved

during the entire term of the awarded contract.

- f. **Liquidated Damages.** If the Contractor fails to comply with the certified Small Business Vendor subcontracting requirement (“SBV Subcontracting Requirement”) of this RFQ, such noncompliance shall be a default of the awarded contract and such default shall be considered a material breach of the awarded contract. Broward Health and the Contractor agree that if the actual total Certified Small Business participation (“SBV Subcontracting Participation”) is less than the SBV Subcontracting Requirement percentage set forth in this RFQ, the actual damages for the non-compliance of SBV Subcontracting Participation will be impossible to determine. Accordingly, the Contractor shall pay to Broward Health an amount equal to the noncompliant subcontractor percentage of the aggregate cost of the contract, as fixed, agreed, and liquidated damages, which will be deducted from the next and/or final payment(s) due to the Contractor by Broward Health. Broward Health and Contractor agree that such liquidated damages are not a penalty and bear a reasonable relationship, and are not plainly nor grossly disproportionate, to the probable loss likely to be incurred in connection with not meeting the SBV Subcontracting Requirement. Both parties understand and agree that this liquidated damages clause is only applicable to breaches pertaining to not meeting the SBV Subcontracting Requirement and shall be the sole and exclusive remedy for such SBV Subcontracting Requirement breaches. Both parties further agree that such liquidated damages do not preclude nor limit Broward Health from any other rights, remedies, or damages available to it at law or in equity for any other default or breach of the awarded contract.
- g. **Good-Faith Efforts.** To the extent that an awarded Contractor is unable to meet the SBV Subcontracting Requirement of this RFQ, Broward Health may, upon Contractor’s demonstration of “good-faith efforts” in complying with such requirement, waive this requirement to the awarded Contractor. The decision of whether a Contractor has demonstrated and met the good-faith effort standard, as well as whether the SBV Subcontracting Requirement will be waived (even if the good-faith effort standard is met), is in the sole and absolute discretion of Broward Health.

SECTION IV. BROWARD HEALTH’S GENERAL TERMS AND CONDITIONS

Unless otherwise explicitly stated below, the following terms and conditions are non-negotiable and shall apply to and become a part of any agreement or contract entered into as a result of this RFQ. By submitting a Response, the Contractor hereby accepts the following terms and conditions and agrees that such terms and conditions shall govern the relationship between Broward Health and the awarded Bidder during the duration of the awarded contract. Broward Health will consider incorporating any of Contractor's proposed terms and conditions provided they do not conflict with, alter, or modify any of the following terms and conditions. To the extent that any of the terms and conditions of this Section IV. of the RFQ conflict with the terms and conditions of the A101-2017 – Standard Form of Agreement between Owner and Contractor, as incorporated into this RFQ, the terms and conditions of the A101-2017 – Standard Form of Agreement between Owner and Contractor shall supersede and control. The term “Contractor” in this Section IV. shall mean the awarded Bidder of this RFQ.

1. **Tax-Exempt Status.** Broward Health is a tax-exempt entity (State Tax Exempt Certificate No 85-8012646292C-5) and is not obligated to pay sales, use or other similar taxes. If Broward Health is not exempt for a particular tax, it will reimburse Contractor for those taxes. Contractor shall assume full responsibility for payment of all federal, state, and local taxes or contributions imposed or required under unemployment insurance, Social Security, and income tax laws, with respect to Contractor’s performance of this Agreement.
2. **Travel Expenses.** Reimbursement, if any, of travel expenses under this Agreement is subject at all times to Broward Health's published General Administration and Procedures Manual in effect. A copy will be provided to Contractor upon request.
3. **INTENTIONALLY LEFT BLANK**
4. **Termination.** Unless a different length of time is otherwise agreed to by Contractor and Broward Health, Broward Health may terminate this Agreement without cause upon ninety (90) days written notice to Contractor. Further, this Agreement may be terminated by either party for cause. For purposes of this Agreement, “cause” shall mean any act or omission of either party which is contrary to the other’s business interests, reputation, or good will, or for any material breach of this Agreement, and failure to cure such breach within fifteen (15) days following written notice of such breach. Notwithstanding the foregoing, if Broward Health seeks to terminate this Agreement for cause, and

Broward Health determines in its sole discretion that the event giving rise to the “cause” determination cannot be remedied or cured, then no cure period will be provided, and Broward Health may immediately terminate this Agreement without any cost, liability, penalty, or imposition of damages. In the event that this Agreement is terminated early for any reason, within thirty (30) days of the termination effective date, Contractor shall reimburse Broward Health for the unused portion of any advance payments made to Contractor by Broward Health in amounts that will be pro-rated. Upon the termination of this Agreement as provided herein, neither party shall have any further obligation hereunder except for (i) obligations accruing prior to the date of termination; and (ii) obligations, promises, and/or covenants contained herein, which are expressly made to extend beyond the term, including without limitation, indemnities and professional insurance coverage.

5. **Owner-Direct Purchases.** Because Broward Health is a tax-exempt entity, rather than reimburse Contractor for the costs of the materials or supplies, which would include sales tax, Broward Health may determine, in its sole and absolute discretion, it is in its best interests to use its tax-exempt status to purchase materials or supplies on its own directly from its own suppliers or from suppliers or subcontractors designated by Contractor. Contractor understands and agrees that in such event, Broward Health shall deduct from the Agreement the cost of the materials and supplies and the amount of sales tax that would have been owed if Contractor had made the purchase or the actual amount stipulated in the Agreement for such materials or supplies.
6. **Pricing.** Contractor represents that the price charged to Broward Health for all purchases or services made under this Agreement shall be as low as, or lower than, those charged Contractor's most favored customer for comparable quantities under similar terms and conditions in addition to any discounts for prompt payment.
7. **Discounts.** In connection with any discount offered by Contractor, discounts will be computed from date of delivery of the supplies, products, equipment, software or services to the point of destination. Where acceptance of the supplies, products, equipment, software or services for compatibility or operability is necessary, discounts will be computed from the date of acceptance. All such discounts shall comply with state and federal law including, but not limited to, the Anti-Kickback Statute safe harbors.
8. **Gratuities.** Broward Health, may by written notice to Contractor, terminate the right of Contractor to proceed under this Agreement if it is found after notice and hearing by the either the Chief Ethics Officer, Chief Compliance Officer and the Office of the General Counsel, that gratuities in the form of entertainment, gifts, monies, or ownership were offered or given by Contractor, or any agent or representative of Contractor, to any officer or employee of Broward Health, with a view toward securing a contract or securing favorable treatment with respect to the awarding, or amending, or the making of any determination with respect to the performance of such contract.
9. **Compliance and Ethics Program.** Contractor acknowledges that Broward Health has adopted a program to facilitate its compliance with laws and regulations ("Compliance and Ethics Program"). Contractor agrees to participate in Broward Health's Compliance and Ethics Program including, but not limited to, adherence to the Code of Conduct and all applicable written policies, procedures and guidelines of Compliance and Ethics Program, all as may be amended from time to time. Such codes, policies, procedures, and guidelines are incorporated herein by reference and can be found on Broward Health's website at www.browardhealth.org.
10. **Ownership, Financial & Conflict Forms.** To the extent applicable, all financial disclosures, conflict of interest forms, ownership disclosure forms, and other compliance documents submitted by Contractor to Broward Health within six (6) months of the Effective Date of the Agreement are hereby incorporated herein by reference. In the event any information listed in financial disclosures, conflict of interest forms, ownership disclosure forms, and/or other compliance documents submitted by Contractor to Broward Health creates an actual or perceived conflict of interest, such conflict will be reviewed and managed as appropriate given the scope of the Agreement. Failure to adhere to any agreed-upon management plan shall constitute a material breach of the Agreement.
11. **Compliance with Laws.** Contractor is familiar with and shall comply with all federal, state, and local laws, ordinances, rules and regulations applicable to the supplies, products, equipment, software or services furnished under or pursuant to this Agreement. The parties acknowledge that there is no obligation of Contractor or any of Contractor's Employees to refer patients to Broward Health or any affiliate of Broward Health, and there is no obligation of Broward Health to refer patients to Contractor or any of Contractor's Employees. The parties intend to comply with 42 U.S.C. § 1320a-7b(b) (the "Anti-Kickback Statute"), 42 U.S.C. § 1395nn (the "Stark Law") and any other federal or state law provision governing fraud and abuse or self-referrals under federal or state health care programs, as such provisions may be

amended from time to time. This Agreement shall be construed in a manner consistent with compliance with such statutes and regulations, and the parties hereto agree to take such actions necessary to construe and administer this Agreement in accordance with such statutes and regulations.

- 12. Changes in Law.** In the event that there is a change in a statute, regulation or the application or interpretation thereof, or the adoption of new legislation which may otherwise make this Agreement illegal or unenforceable, the parties agree to use their best efforts to agree upon modifications to this Agreement which will make it legal and enforceable. If after using best efforts, the parties are unable to reach any such agreement, then either party may terminate this Agreement upon thirty (30) days written notice to the other party. In the event there is a change in a statute, regulation or the application of interpretation thereof, or the adoption of new legislation which materially affects Broward Health's health care delivery system, the parties agree to use their best efforts to agree upon modifications to this Agreement which will allow a health care delivery system by Broward Health, which is consistent with new trends and beneficial to the community. If, after using best efforts, the parties are unable to reach any such agreement, then either party may terminate this Agreement upon thirty (30) days written notice to the other party.
- 13. Access to Books and Records.** To the extent applicable, under the Omnibus Reconciliation Act of 1980 and in accordance with 42 C.F.R. § 420.300 *et seq.* and with Section 1981 of the Social Security Act (42 U.S.C. § 1395x(v)(1)), until the expiration of four (4) years after the furnishing of services pursuant to this Agreement, Contractor shall, upon receipt of a written request, make available to the Secretary of the U.S. Department of Health and Human Services, the Comptroller General, or any of their duly authorized representatives, any agreement, and books, documents and records of Contractor that are necessary to certify the nature and extent of costs incurred by Broward Health under this Agreement. If Contractor carries out any of the duties of this Agreement through a subcontract with a value or cost of \$10,000 or more over a 12-month period, with another organization, such subcontract shall contain a clause to the effect that until the expiration after furnishing of such services pursuant to such subcontract, the related organization upon receipt of a written request, shall make available to the Secretary of the U.S. Department of Health and Human Services, the Comptroller General, or any of their duly authorized representatives, the subcontract, and books, documents and records of such organization that are necessary to verify the nature and extent of costs incurred by Broward Health by reason of the subcontract.
- 14. Equal Opportunity Employment.** Contractor agrees that it will not discriminate against any employee or applicant for employment for work under this Agreement because of race, color, religion, sex, age or national origin and will take affirmative steps to ensure that applicants and employees are treated fairly during employment without regard to race, color, religion, sex, age or national origin. This provision shall include but shall not be limited to the following: employment upgrading, demotion, or transfer; recruitment advertising; layoff or termination; and rates of pay or other forms of compensation and selection for training including apprenticeships. Part 60).
- 15. Inspection and Acceptance.** Inspection and acceptance of supplies, products, equipment, software or services to be furnished hereunder shall be made by representatives of Broward Health at a point of destination by the receiving facility. Unless a detailed technical inspection is necessary, this inspection will generally consist of a visual examination of the type, kind, quantity, damage, operability, packaging and marking.
- 16. Warranty and Indemnification.** Contractor warrants the performance of the services and/or the merchantability of the goods to be furnished hereunder and agrees to indemnify, hold harmless and defend Broward Health, and its agents, employees and servants, from any and all claims, demands, actions, costs, expenses (including reasonable attorney's fees), and judgments arising out of or in any way anyway connected with any negligence, wrongful acts or omissions of Contractor, or its agents, employees, or independent contractors in the goods furnished and the performance of Contractor's services, duties and obligations under this Agreement. If it becomes necessary for Broward Health to defend any action seeking to impose any such liability, Contractor will pay Broward Health all costs of court and reasonable attorneys' fees incurred by Broward Health in such defense, in addition to any other sums which Broward Health may be called upon to pay by reason of the entry of a judgment or decree against Broward Health in the litigation in which such claim is asserted. This obligation shall survive termination of this Agreement.
- 17. INTENTIONALLY LEFT BLANK**

- 18. Broward Health Property.** Property owned by Broward Health is the responsibility of Broward Health. Such property furnished to a Contractor for repair, modification, study, delivery, etc., shall remain the property of Broward Health. Any damage to such property occurring while in the possession of or while in route to Contractor shall be the responsibility of Contractor. In the event that such property is destroyed or declared a total loss, Contractor shall be responsible for the replacement value of the property at the current book value.
- 19. Contractor Warranties.** Contractor hereby represents and warrants to Broward Health that:
- a. Contractor and its directors, officers, employees, agents, and subcontractors performing services or obligations under the Agreement (collectively, "Employees") have not engaged in, and during the Term of this Agreement shall not engage in, any activities prohibited under the federal anti-kickback laws (42 U.S.C. §§ 1320a-7, 1320a-7a, and 1320a-7b), the Stark Law (42 U.S.C. § 1395nn), and the regulations promulgated pursuant to such federal statutes, related state or local statutes or regulations, or rules of professional conduct.

 - d. Contractor shall provide the names and any other information requested by Broward Health of any and all Contractor's Employees and subcontractors who will be performing any services or obligations pursuant to this Agreement.  - f. Contractor acknowledges and understands that the failure to comply with the foregoing constitutes a material breach of this Agreement and that Broward Health may determine, in its sole discretion, and notwithstanding any other provision of this Agreement to the contrary, that the material breach may not be able to be cured. In such event, Broward Health may immediately terminate this Agreement.
- 20. Records.** Contractor has been advised that Broward Health and all records created or received by Broward Health are subject to § 119.01, *et seq.*, Florida Statutes (the "Public Records Law") and § 286.001, *et seq.*, Florida Statutes (the "Sunshine Law") and Contractor agrees to maintain all records necessary to comply with the requirement of the Public Records Law and the Sunshine Law. Contractor further agrees to comply with all Broward Health Policies and Procedures in observing the requirement of these laws. Accordingly, as required by the Act, Contractor agrees to implement safeguards to protect customer records containing personal information, in whatever form retained and stored, from a breach of security. If customer records in Contractor’s possession are breached in the manner set forth in the Act, Contractor shall immediately notify Broward Health as indicated herein, and Contractor shall work with Broward Health as required by the Act to assist in any of the following actions: (a) Investigate the alleged breach and determine if an actual breach has occurred, which may include the use of law enforcement officials as needed and as determined by Broward Health; (b) Provide notice to any and all consumers whose personal information has been breached; (c) Provide any and all other notices to governmental agencies that may be applicable under the Act, if a breach has reached a particular threshold as defined in the Act, which may include but is not limited to credit reporting agencies and the Florida Department of Legal Affairs; and (d) Ensure that Contractor’s third-party agents are made aware of the Act and any requirements to comply with the Act, and require that those third-party agents that store customer records of Broward Health who also experience a breach notify Broward Health immediately, and work with Contractor and Broward Health as outlined in this Section. The procedures specified herein shall not supersede any requirements specified by the Act. The provisions of the Act, as may be amended from time to time, shall prevail in the event of any conflict.

- 24. Payment Card Industry Data Security Standard.** To the extent applicable, should Contractor store, process or transmit payment cardholder data, Contractor is solely responsible, at its own cost, for complying at all times with the most recent version of the Payment Card Industry Data Security Standard (“PCI DSS”) (a copy of which will be provided upon request), including without limitation, establishing its own secure network and/or server connection for such storage, processing and transmission of payment cardholder data. Contractor shall provide Broward Health with adequate documentation, including without limitation, from its bank or financial institution or merchant services provider, to confirm that its process meets and is compliant with the PCI DSS standards, and shall confirm continuing compliance upon request by Broward Health at any time during the Term of this Agreement. Should Contractor fail to maintain its compliance with the PCI DSS, such failure shall constitute an incurable material breach of this Agreement and entitle Broward Health to terminate this Agreement without prior notice. CONTRACTOR SHALL NOT ACCESS OR OTHERWISE ATTEMPT TO USE BROWARD HEALTH’S SERVERS OR COMPUTER NETWORK FACILITIES (INCLUDING WITHOUT LIMITATION WIRELESS NETWORKS) FOR STORING, PROCESSING OR TRANSMITTING CARDHOLDER DATA. Nothing in this Agreement shall obligate Broward Health to provide Contractor with access to any of Broward Health’s servers or computer network facilities, including without limitation wireless networks, and such access for storing, processing or transmitting cardholder data is strictly prohibited. Contractor acknowledges and understands that it will not be provided with sufficient access to Broward Health’s network and servers to perform the necessary testing to comply with PCI DSS, and therefore, Contractor should presume that any use of Broward Health’s network or servers for storing, processing or transmitting cardholder data will not be compliant with PCI DSS, and therefore, a breach of the requirements of this provision. Broward Health has the right to immediately terminate this Agreement, with no right to cure, should Contractor engage in any unauthorized use of Broward Health’s network facilities and/or servers or otherwise store, process or transmit cardholder data in a manner that fails to comply with the PCI DSS standards. Further, any such access by Contractor of Broward Health’s servers or computer network facilities may be considered by Broward Health as a violation of state and federal law, and Contractor acknowledges that Broward Health may advise appropriate agencies should it detect any unauthorized use of its network facilities and/or servers. Contractor’s indemnification and insurance requirements shall specifically include coverage for the benefit of Broward Health in the event any claims are asserted against Broward Health arising from or otherwise relating to Contractor’s storage, processing or transmitting cardholder data.
- 25. Terms and Conditions of the RFQ.** Contractor, by submitting a Response to Broward Health’s RFQ, agreed to all terms and conditions therein and confirmed that all representations were true and correct. All such terms and conditions and representations are hereby incorporated herein by reference and such terms and conditions include, without limitation, disclaimers of liability to Broward Health and its commissioners, officers, employees, and agents; Contractor’s responsibilities under the “Important Notice Regarding Public Records” Section of the RFQ; and any certified Small Business Vendor Subcontracting Requirements, as defined under Section III.D.2.f. of this RFQ, and penalties for noncompliance (if applicable). Any changes to any terms and conditions in the RFQ or in these General Terms and Conditions are null and void and without any force and effect unless otherwise explicitly agreed to by Broward Health in writing.

- 26. Independent Contractor.** It is expressly acknowledged by the parties hereto that Contractor is an independent contractor, and nothing contained in this Agreement will be deemed or construed to create a partnership or joint venture between Broward Health and Contractor or any other relationship between the parties. Additionally, nothing in this Agreement is intended nor shall be construed to create an employer/employee relationship, or to allow Broward Health, or its agents, representative, or employees, to exercise control or direction over the manner or method by which Contractor performs any services which are the subject of this Agreement.
- 27. Assignment and Subcontracts.** Contractor agrees not to enter into subcontracts, or assign, transfer, sublet, or otherwise dispose of this Agreement, convey Contractor's obligations under this Agreement, or any or all of its right, title or interest herein, without Broward Health's prior written consent and any such assignment without the prior written consent of Broward Health shall be void ab initio. Broward Health may assign this Agreement and its rights hereunder to any successor or entity owning or operating Broward Health, to a wholly owned subsidiary of Broward Health, to any entity in which Broward Health has an ownership interest, or to an entity which acquires substantially all of its assets. If Contractor receives Broward Health's prior written consent to subcontract, assign, transfer, convey, or sublet provisions of the Agreement, then Contractor shall provide to Broward Health a list of all subcontractors and/or agents who are or will be utilized in the performance of services under this Agreement. Contractor shall also provide to Broward Health frequent, continuous, and current updates on any status change regarding any title, right, interest, or issue regarding any service(s), duty or obligations arising from this Agreement. Except as otherwise expressly provided in this Agreement, all covenants, conditions and provisions of this Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, legal representatives, successors and assigns.
- 28. Sovereign Immunity.** Notwithstanding any contrary provision herein, the Parties hereto acknowledge that Broward Health, as a special taxing district of the State of Florida, enjoys the benefits of sovereign immunity, and nothing contained herein shall be construed as a waiver or limitation of such sovereign immunity. Whether such liability be in contract, tort, or other theory of liability, Broward Health's liability shall not be more than the limits established in § 768.28, Florida Statutes. All terms and provisions in the Agreement, or any disagreement or dispute concerning it, shall be construed or resolved so as to ensure Broward Health of the limitation on liability provided to political subdivisions of the State as established in § 768.28, Florida Statutes, as amended. Nothing in the Agreement shall be construed to require Broward Health to indemnify Contractor or ensure Contractor for its negligence or to assume any liability for Contractor's negligence. Any provision in the Agreement that requires Broward Health to indemnify, hold harmless or defend Contractor from liability for any other reason shall not alter Broward Health's waiver of sovereign immunity nor extend Broward Health's liability beyond the limits established in § 768.28, Florida Statutes, as amended.
- 29. Governing Law, Jurisdiction and Venue.** This Agreement has been executed and delivered in, and shall be interpreted, governed, construed and enforced pursuant to and in accordance with the laws of the State of Florida without giving effect to the principles of conflict of laws thereof. The parties agree that the sole and exclusive venue for any litigation, mediation, special proceeding or other proceeding as between the parties that may be brought or that arises out of or in connection with or by reason of this Agreement shall be Broward County, Florida. Contractor hereby agrees to waive any jurisdictional, venue or inconvenient forum objections to the state and federal courts with jurisdiction in Broward County.
- 30. Attorney's Fees.** In connection with any litigation, mediation, special proceeding or other proceeding arising out of this Agreement, the prevailing party shall be entitled to recover its costs and reasonable attorney's fees through and including any appeals and any post-judgment proceedings. Notwithstanding the foregoing, Broward Health's liability for any costs and reasonable attorney's fees, however, shall not alter or waive Broward Health's sovereign immunity or extend Broward Health's liability beyond the limits established in § 768.28, Florida Statutes, as amended.
- 31. Convicted Vendor List.** If Contractor has been placed on the convicted vendor list following a conviction for a public entity crime, as defined in § 287.133, Florida Statutes, Contractor may not contract with Broward Health (1) to provide any goods or services; (2) for the construction or repair of a building or other public work; and (3) for leases of real property. Further, if Contractor has been placed on the convicted vendor list following a conviction for a public entity crime, Contractor (1) may not perform work as a contractor, supplier, subcontractor, or consultant under any contract with Broward Health; and (2) may not transact any business with Broward Health in excess of the threshold amount provided in § 287.017, Florida Statutes, for CATEGORY TWO for a period of thirty-six (36) months following the date of being placed on the convicted vendor list.

- 32. Scrutinized Companies.** If it is found that Contractor has been placed on the Scrutinized Companies that Boycott Israel List or is engaged in a boycott of Israel, or if the compensation provided to Contractor in this Agreement is in excess of One Million (\$1,000,000.00) Dollars and it is found that Contractor has submitted any false certifications to Broward Health while submitting a bid or proposal or prior to entering into or renewing this Agreement, or Contractor has been placed on the Scrutinized Companies with Activities in Sudan List, the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or if Contractor has engaged in any business operations in Cuba or Syria, Broward Health may terminate this Agreement immediately without cost, penalty or the imposition of liquidated damages. Contractor's certification as provided in Contractor's RFQ Response that it has not been placed on any of the foregoing lists and is authorized to enter into this Agreement with Broward Health is hereby incorporated herein by reference. Contractor shall recertify upon execution of the Agreement that it has not been placed on any of the foregoing lists and is authorized to enter into this Agreement with Broward Health.
- 33. Federal Reimbursement and Disaster-Related Work.** Contractor understands that Broward Health may engage Contractor to perform services and/or to provide goods under this Agreement that may be related to disaster-recovery work and such disaster-recovery work may be funded in whole or part by federal assistance in the form of a grant, sub-grant, loan, or reimbursement either directly to Broward Health as a recipient or as a subrecipient of funding provided from the federal government to an agency of the State of Florida or to another pass-through agency (collectively, a "Federal Project"). To the extent that Broward Health seeks reimbursement from the federal government, whether in whole or part, for any Federal Project performed by Contractor under this Agreement, Contractor understands and agrees that Contractor shall be subject to the terms and conditions of the Federal Addendum: Additional Provisions for Contracts Funded Through Federal Assistance, including Provisions for Federal Emergency Management Agency (FEMA) Assistance, Reimbursement Contracts, which can be found at the following website: <https://browardhealth.org/pages/Contract-Addenda>, and is hereby incorporated herein by reference as if fully set forth herein.
- 34. Force Majeure.** Neither party shall be liable nor deemed to be in default for any delay or failure in performance under this Agreement or for other interruption of service deemed resulting, directly or indirectly, from acts of God, civil or military authorities, acts of the public enemy, war (whether or not declared), riots, insurrections, acts of government, accidents, fires, explosions, earthquakes, floods, failure of transportation, strikes or other work interruptions by employees or any similar or dissimilar cause beyond the reasonable control of either party. The time for performance shall be deemed extended for a period equal to the duration of such event.
- 35. Non-Waiver.** No inaction upon any breach or waiver of any breach of any provision of this Agreement by any party shall be construed to be a waiver of any prior or subsequent breach of the same or any other provision of this Agreement. Nor will any custom or practice which may grow up between the parties in the administration of the provisions hereof be construed to waive or lessen the right of Broward Health to insist upon the performance by Contractor in strict accordance with the terms hereof.
- 36. Partial Invalidity and Separability.** Each and every covenant and agreement contained in this Agreement shall for all purposes be construed to be a separate and independent covenant and agreement, and the breach of any covenant or agreement contained herein by either party shall in no way or manner discharge or relieve the other party from its obligation to perform all other covenants and agreements herein. If any provision of this Agreement or the application thereof to any person or circumstance shall to any extent be held invalid, then the remainder of this Agreement or the application of such provision to persons or circumstances other than those as to which it is held invalid shall not be affected thereby, and each provision of this Agreement shall be valid and enforced to the fullest extent permitted by law.
- 37. Headings and Terms.** The headings to the various paragraphs herein have been inserted for convenient reference only and shall not in any manner be construed as modifying, amending or affecting in any way the expressed terms and provisions hereof.

SECTION VII. SPECIFIC RESPONSE REQUIREMENTS

In addition to any other applicable response requirements otherwise noted in the instructions of this RFQ (e.g., certified SBV Subcontracting Participation, etc.), Contractors must respond in the precise sequential order to each of the following line-item requirements in this Section. Inability to supply corporate documentation acceptable to Broward Health in the sequential order requested may, in Broward Health's sole and absolute discretion, result in rejection of the Response. Please submit proof of compliance/documentation/plan/policy to the following subsections. Do NOT include hyperlinks as part of your response. Responses must include page numbers.

- b. Proposer(s) shall demonstrate they have been in business under the current Vendor name for a minimum of seven (7) years.

- c. References: Proposer shall provide a list of verifiable references for similar construction projects worked on within the past five (5) years (AHCA experience required; completed projects preferred).
- d. Broward Health, to ensure the financial stability of those it does business with, requires all interested Contractors to submit financial statements for Broward Health's review. To that end, Contractor shall provide one copy of its annual reports and/or audited financial statements for the past three (3) fiscal years in a separate file named "Financial Statements". For those firms unable to provide audited financial statements, please provide key financial data for the past three (3) fiscal years, including gross revenues, net operating income or loss, total income or loss, current and long-term assets, current and long-term liabilities, days' cash on hand, working capital ratio, and debt service coverage ratio. Failure to provide the foregoing financial statements and information may result in disqualification of the Bidder unless waived by the SVP/Chief Financial Officer or his or her designee.

Please note, financial statements provided by Bidders in order to prequalify for bidding are exempt from disclosure pursuant to a public records request under section 119.071(1)(c), Florida Statutes. As such, to ensure that such statements are not disclosed pursuant to a public records request for Responses, Contractor must submit the financial statements in separate files that are not combined with Contractor's Response. Contractor, by submitting a Response to the RFQ, understands and agrees that failure to submit the financial statements in separate files constitutes a complete waiver by Contractor of any exemption from disclosure or confidential status of Contractor's financial statements and Contractor agrees to waive any cause of action or any claim for damages it may have against Broward Health or any of Broward Health's subsidiaries, affiliates, Board members, executives, officers, employees, or agents for the release of Contractor's unredacted financial statements pursuant to a public records request.

Contractor shall submit a pricing proposal as part of Contractor's Response. Broward Health is seeking best business alternatives that will result in a true cooperative business relationship between the awarded Contractor and Broward Health.

- Bidders must respond in detail utilizing the Bid Proposal Form provided.
- Where so indicated by the makeup of the Pricing Proposal Form, sums shall be expressed by both words and figures and in case of discrepancy between the two, the written amount in words shall govern.
- In order to obtain a Lump Sum on the cost of this Project, the Contractor shall include in its RFQ Response sufficient contingencies to provide Broward Health with a complete and functioning Project. The Construction Documents reflect the required finished results. Any changes necessary to accomplish these results because of evident field conditions or codes in effect at the time of bidding, shall not result in any change in cost. It is the intention of the RFQ to describe the proposed demolition site area including all buildings and associated grounds. By submitting Response, the Contractor attests to their complete understanding of the RFQ and the terms and conditions applicable to the RFQ, and its intent and commitment to provide such a complete Project. For those areas and for those items wherein the RFQ is deliberately, inadvertently, or by convention silent, the Contractor may rely on its right of "Means and Methods" in compiling its Response for the complete Project. Should the Contractor feel that the Contractor needs or wishes additional information, beyond that contained in the RFQ, the Contractor may so request and, if Broward Health concurs, an Addendum will be issued. The Contractor shall bring this "Intent" to the attention of all concerned parties so that they may include sufficient funds in their RFQ Response to cover such work.

SUBMISSION CHECKLIST

The following checklist outlines certain critical requirements of this RFQ and all the forms that are required as part of this RFQ. Failure to adhere to the requirements of this RFQ and failure to submit the proper forms and documents may result in rejection of the bids, in Broward Health's sole and absolute discretion.

1. **Register in Broward Health's Vendor Registration System (VRS).** All Contractors and subcontractors must register and submit proper documentation in Broward Health's VRS if they wish to do business with Broward Health. The registration and submission of all required documents in VRS is required prior to submitting your bid and the registration and submission of all required documents by subcontractors in VRS is required prior to entering into a contract with Broward Health. To register, please go to browardhealth.org/registration. If you require assistance in completing the registration, please contact Broward Health Vendor Relations at (954) 473-7289.
2. **Read the *entire* document.** The requirements of Broward Health's RFQs change for each RFQ. Please make sure that you note critical items such as: contract requirements (Broward Health's General Terms and Conditions, Broward Health's contract template, project specifications, etc.), protection of trade secret and proprietary information in cases of public records requests, "shall" and "must" statements, required goods and services, submittal dates, and number of copies required, etc.
3. **Take note and be aware of important dates.** Take note of the Key Dates Section of the RFQ Summary Page. All deadlines are final (unless amended via an addendum).
4. **Note the Bids Department's contact information.** The Bids Department is the single point of contact for this RFQ and is the only department/individuals with whom you are allowed to communicate regarding this RFQ.
5. **Participate in the Pre-Bidders Meeting/Site Visit if one is offered, even if not mandatory.** These conferences provide an opportunity to ask clarifying questions, obtain a better understanding of the project, or to notify the Bids Department of any ambiguities, inconsistencies, or errors in the RFQ.
6. **Take advantage of the "Vendor Inquiry" period.** Submit all questions to the Bids Department by the date in the RFQ Summary Page, as amended by applicable addenda, and view the answers given in the formal addenda issued for the RFQ. All addenda issued for an RFQ will include questions asked and answered concerning this RFQ.

All addenda will be posted on Broward Health's Vendor Website at <https://vendor.browardhealth.org/pages/current-opportunities>. If there were any addenda issued for this RFQ, you must submit an Addendum Acknowledgement form indicating you are aware of and read the addenda issued for the RFQ.
8. **Follow the format required by the RFQ when preparing your response.** Provide point-by-point responses to all evaluation criteria in a clear and concise manner but with enough detail for your response to be adequately evaluated. Responses are evaluated solely on the information and materials provided in your response. Also, make sure that responses are properly tabbed, bound, and have page numbers as indicated in the RFQ.
9. **Response to the RFQ.** Read and respond to all requirements. Don't assume Broward Health or the members of the RFQ Committee will know what your company's capabilities are or what goods or services you can provide, even if you have previously contracted with Broward Health. The responses are evaluated solely on the information and materials provided in your response. To that end, make sure the following Sections, to the extent required under this RFQ, are filled out legibly, completely, and in a detailed manner.
