THIS ADDENDUM IS ISSUED PRIOR TO THE ACCEPTANCE OF THE FORMAL RFP's. THE FOLLOWING CLARIFICATIONS, AMENDMENTS, ADDITIONS, DELETIONS, REVISIONS, AND MODIFICATION FORM A PART OF THE CONTRACT DOCUMENTS ONLY IN THE MANNER AND TO THE EXTENT STATED.

Q&A

1. What is Broward Health's interpretation of American Heart Association Training Center? **Vendor must have an official agreement/contract with AHA and not be a subcontractor nor training site under a sponsoring Training Center. The facility must be the actual Training Center.**
2. Would a Training Site with the same qualifications and Capabilities as Training Center be allowed to submit a proposal? **No. (The training sites would have to be under the Training Center as the same entity.)**
3. Is it Broward Health's intention to utilize a provider with a designated training location or would the provider be able to schedule trainings within the hospital system onsite? **The Provider MUST have their own training facilities that are owned and not conflicting with the business of Broward Health. i.e. vendor cannot host classes at a competing hospital, or organization. This must be a centrally located site to accommodate Broward Health's staff. Broward Health does not have space available for training, hence the reason for the RFP.**
