SECTION III. INFORMATION CONCERNING THE RFP PROCESS

A. General Rules and Provisions Governing this RFP

1. **Invitation to Negotiate:** The issuance of this RFP constitutes only an invitation to submit an RFP Response to Broward Health and for the awarded Bidder to negotiate the terms of a contract with Broward Health. Broward Health reserves the right to determine, in its sole discretion, whether any aspect of the RFP Response satisfies the criteria established in this RFP.
2. **Non-Mandatory & Discretionary:** No provision in the RFP is intended as a mandatory restriction or a limitation on the lawful authority and discretion of Broward Health. Broward Health reserves the right to waive, at any time prior to the acceptance of an RFP Response, any RFP procedure or requirement that is not made mandatory under Florida law.
3. **Qualified Bidders:** Broward Health will consider all qualified Contractors that meet the requirements and specifications outlined in this RFP.
4. **Request for Information:** Broward Health reserves the right to request additional clarifying information from Bidders after RFP Responses are opened, but before entering into a contract with any Bidder, as may be determined necessary, in Broward Health’s sole and absolute discretion, to assist in the evaluation of any RFP Responses timely submitted.
5. **Agreement to RFP’s Terms:** Contractor’s submission of an RFP Response shall constitute Contractor’s representation to Broward Health that the Contractor is familiar with and agrees to comply with the contents of this RFP and the terms and conditions contained herein. Any changes to this RFP’s terms are null and void and without any force and effect unless otherwise explicitly agreed to by Broward Health in writing. Submitting a Response with changes to any terms of this RFP may result in rejection of the Bidder’s Response.

6. **Modifications:** Broward Health reserves the right, in its sole and absolute discretion, to change any of the terms and conditions of this RFP at any time.
7. **Headings and Severability:** The headings contained in this RFP are for reference purposes only and shall not affect in any way the meaning or interpretation of this RFP. When the context requires, the gender of all words includes the masculine, feminine, and neuter, and the number of all words includes the singular and plural. If any provision of this RFP is deemed to be invalid or unenforceable, the remainder of the terms of this RFP shall be valid and enforceable.
8. **Non-Conformance and Rejections:** Broward Health reserves the right to accept or reject, in whole or in part, for any reason whatsoever, any or all RFP Responses submitted. RFP Responses that are not submitted on time and/or do not conform to Broward Health's requirements will not be considered.
9. **Irregularities:** Broward Health reserves the right to waive any formalities of or irregularities in the RFP process.
10. **Withdrawals and Cancellations:** Broward Health reserves the right, in its sole and absolute discretion, to withdraw, postpone, or cancel this RFP at any time, including after an award is made and contract negotiations have begun. Broward Health further reserves the right to re-advertise and reissue this RFP, which may or may not be modified to meet the current needs of Broward Health.
11. **Site Visits and Presentations:** Broward Health reserves the right to conduct site visits to Contractor's business location(s) and/or may request that Contractor participate in live (online) presentations. The selection of a Contractor may be based in whole or in part upon the result of site visits or live (online) presentations.
12. **General Description:** Broward Health understands that the supplies, products, equipment, software or services requested in this RFP may vary from company to company in technique and material. All specifications set forth in this RFP are to be considered and construed as a general description of function, purpose, and performance of the items desired. Any use of brand names or catalog numbers in the specifications is intended only as a description of the type of product and does not restrict bidding to any endorsed product. No RFP Response will be disqualified from consideration where items offered by the Contractor are substantially equivalent in quality, purpose and standards, even though it does not correspond exactly to the description contained in the specifications. Where differences exist, they shall be separately identified in an addendum to the RFP Response with a specific and concise explanation of what differences exist and why such differences do not substantially deviate from the quality, purpose and standards of the items specified. Further data on such differences shall be provided if requested. The items and sizes shown on specification sheets are estimated requirements. Actual purchases may be more or less than quantities shown on specifications, but only the actual quantities required will be purchased.
13. **Disclaimer:** The issuance of this RFP and the receipt of information in response to this RFP shall not, in any way, cause Broward Health to incur any liability, financial or otherwise. Broward Health assumes no obligation to reimburse and shall have no liability to any Contractor for any costs, losses, or expenses incurred by Contractor in connection with submitting an RFP Response or otherwise. Broward Health reserves the right to use the information contained in any Response in any manner Broward Health deems appropriate.
14. **No Benefit to Broward Health Employees and Officers:** No Broward Health employee or officer shall have any ownership or monetary interest in, share in the benefits of, or be a part of any contract, either directly or indirectly, concerning this RFP. Additionally, no Broward Health employee or officer shall personally benefit monetarily or otherwise as a result of the execution of any contract related to this RFP.
15. **Conflict of Interest and Ownership Disclosure:** There shall be no dealings between any Contractor and Broward Health that might be construed as a conflict of interest. All Contractors shall provide Broward Health with any and all information pertaining to any dealings with Broward Health that might be construed as a conflict of interest. Broward Health has adopted, implemented, and codified its Conflict of Interest Policy within its General Administrative Policy Manual, Policy No. GA-001-015. As such, by submitting a Response to this RFP, all Contractors acknowledge and agree to read and to abide by Broward Health's Conflict of Interest Policy, a copy of which is posted on the "Current Opportunities" page of Broward Health's vendor website and is incorporated herein by reference. Furthermore, Contractor shall include fully completed copies of Broward Health's Conflict of Interest Questionnaire and Disclosure Agreement forms as well as Broward Health's Disclosure Form for Physician Ownership and Financial Arrangements as part of its RFP Response.

16. **Cone of Silence:** To ensure fair consideration for all Contractors, Broward Health prohibits communication to/or from any member of Broward Health's Board of Commissioners or any Broward Health official, department, division, or employee during the submission process, except as otherwise provided for herein. Additionally, Broward Health prohibits communications initiated by a Contractor to any Broward Health official, employee, or committee evaluating or considering the RFP Responses ("Selection Committee") prior to the time an award decision has been made. Any communication between a Contractor and Broward Health in order to obtain information or clarification needed to develop a proper and accurate evaluation of the RFP shall be subject to the specific requirements of this RFP and shall always be directed to bids@browardhealth.org. Communications initiated by a Contractor to any other Broward Health commissioner, officer, employee, or agent regarding this RFP may be grounds for disqualifying the offending Contractor from consideration for an award of a contract and/or any future bids or proposals from Contractor. Such decision to disqualify or prohibit Contractors from consideration for an award on this RFP or on future projects shall be in Broward Health's sole and absolute discretion.
17. **Questions:** Questions during the bidding process regarding the RFP process and protocol as well as technical questions regarding the scope of work should be directed via e-mail only to bids@browardhealth.org. Questions regarding the scope of work must be submitted by the Vendor Inquiry deadline as delineated on the RFP Summary Page, as amended by applicable addenda.
18. **Tax-Exempt Status.** Broward Health is a tax-exempt entity (State Tax Exempt Certificate No 85-8012646292C-5) and is not obligated to and shall not pay sales, use or other similar taxes. If Broward Health is not exempt for a particular tax, it will reimburse Contractor for those taxes. Contractor shall assume full responsibility for payment of all federal, state, and local taxes or contributions imposed or required under unemployment insurance, Social Security, and income tax laws, with respect to Contractor's performance of this Agreement.
19. **Owner-Direct Purchases.** Because Broward Health is a tax-exempt entity, rather than reimburse a contractor for the costs of the materials or supplies, which would include sales tax, Broward Health may determine, in its sole and absolute discretion, it is in its best interest to use its tax-exempt status to purchase materials or supplies on its own directly from its own suppliers or from suppliers or subcontractors designated by an awarded Contractor. Contractor understands and agrees that in such event, Broward Health shall deduct from the awarded contract the cost of the materials and supplies and the amount of sales tax that would have been owed if the Contractor had made the purchase or the actual amount stipulated in the contract for such materials or supplies.
20. **Public Entity Crimes:** Section 287.133(2)(a), Florida Statutes, provides that a person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in section 287.017, F.S., for CATEGORY TWO for a period of thirty-six (36) months from the date of being placed on the convicted vendor list created by Florida's Department of Management Services pursuant to section 287.133(3)(d). Contractor's Response shall include a verified certification that Contractor has not been placed on the convicted vendor list within the last thirty-six (36) months. Such certification form is attached to this RFP and incorporated herein by reference.
21. **Scrutinized Companies:** Section 287.135(2)(a), Florida Statutes, prohibits a company from bidding on, submitting a proposal for, or entering into or renewing a contract for goods or services of any amount if, at the time of contracting or renewal, the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to section 215.4725, Florida Statutes, or is engaged in a boycott of Israel. Section 287.135(2)(b), Florida Statutes, further prohibits a company from bidding on, submitting a proposal for, or entering into or renewing a contract for goods or services over one million dollars (\$1,000,000) if, at the time of contracting or renewal, the company is on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, both created pursuant to section 215.473, Florida Statutes, or the company is engaged in business operations in Cuba or Syria. The foregoing prohibitions may be waived by Broward Health if the company meets the conditions provided under section 287.135(4)(a), Florida Statutes, or if Broward Health makes a public finding that, absent such an exemption, Broward Health would be unable to obtain the goods or

services for which this RFP is offered. With its Response, Contractor shall, consistent with the requirements of section 287.135(5), certify that Contractor has not been placed on any of the foregoing lists and is authorized to bid on or submit a proposal in response to this RFP and, if awarded, enter into a contract to provide the goods or services for which this RFP is offered. Such certification form is attached to this RFP and incorporated herein by reference.

22. **RFP Awards:** Broward Health reserves the right to award the contract under this RFP to a Contractor or Contractors based on a complete RFP Response, on any portion of an RFP Response, or on any particular items of an RFP Response, as it deems to be in the best interests of Broward Health.
23. **RFP Disputes, Administrative Remedy:** If a Contractor disputes any matter arising out of this RFP or the RFP process, including the award of the Contract, Contractor shall provide written notice of dispute to Broward Health's Vice President, Supply Chain/Chief Procurement Officer at bids@browardhealth.org no later than (a) five (5) business days after this RFP or any amendment/addendum to this RFP is issued if protesting or challenging any of the terms or conditions of this RFP or an amendment/addendum, or (b) five (5) business days after the date of Notice of Intent to Award is given by Broward Health if protesting or challenging an award. Failure of a Contractor to timely provide its written notice of dispute shall be deemed a waiver of the dispute by the Contractor. The written notice of dispute must: (1) adequately identify the solicitation or Contract number; (2) set forth a detailed statement of the legal and factual grounds of protest, including copies of relevant documents; (3) provide a statement as to how the protestor is interested and aggrieved; and (4) state the relief requested. Within sixty (60) days from the date of receipt of the Contractor's written and timely dispute, the Vice President, Supply Chain Services/Chief Procurement Officer ("CPO") will render a written decision on the dispute and forward the decision to the Contractor pursuant to the terms of Broward Health's Master Procurement Code then in effect. A Contractor may appeal this decision by giving written notice of appeal to the Senior Vice President/Chief Financial Officer ("CFO") of Broward Health at bids@browardhealth.org within five (5) business days after receipt of the CPO's written decision. The timely notice of appeal must: (1) adequately identify the solicitation or Contract number; (2) attach a copy of the decision being appealed as rendered by the CPO, or his or her designee; (3) set forth a detailed statement of the legal and factual grounds for the appeal; and (4) state the relief requested. The notice of appeal shall also be accompanied with copies of the Contractor's original notice of dispute and any other documents the Contractor requests to be considered. Failure of a Contractor to timely give written notice of appeal shall be deemed a waiver of the appeal by the Contractor and the CPO's decision shall be considered final. The CFO shall render a written decision within ninety (90) days after receipt of the timely notice of appeal and forward the decision to the Contractor pursuant to the terms of Broward Health's Master Procurement Code then in effect. The CFO's written decision shall state the reasons for the decision, actions taken, if any, and shall be the final order on the protest. The burden in any protest or appeal pertaining to this RFP is on the party filing the protest or appeal to establish that the intended action by Broward Health is materially contrary to Broward Health's governing statutes, its Charter, this Code, Broward Health's Policies and Procedures, or this RFP's specifications. The standard of proof for such proceedings shall be whether the intended action by Broward Health would be clearly arbitrary or capricious. The institution and filing of an appeal, and obtaining a decision from the CFO thereon, is an administrative remedy to be satisfied as a condition precedent to the institution and filing of any civil action against Broward Health concerning the action or intended action by Broward Health.
24. **Broward Health Environmentally Preferred & Sustainable Procurement Practices:** Broward Health is committed to the protection of the environment and providing a safe and healthy environment for our employees, patients, and visitors. Recognizing the challenge to reduce the environmental footprint, Broward Health understands its responsibility to minimize waste, to use less toxic products, to improve occupational and patient health, and to reduce the use of hazardous materials, while maintaining tight control on expenses and improving community relations. Being a good environmental steward does not end with Broward Health, but also applies to our vendors, as we recognize our impact as a major procurer of goods and services. Broward Health shall consider "green/sustainability initiatives" in its vendor solicitation and selection processes, whenever feasible, supporting environmentally responsible products and services that do not compromise existing sourcing practices, patient care, and safety. To aid our efforts to sustain the environment, Broward Health requests all Contractors to provide information on their company's Green/Sustainability/Environmental Protection Policy, Practices, and Products. This would include products and services whose environmental impacts have been considered and

found to be less damaging to the environment and human health, when compared to competing products and services.

25. **Access to Books and Records:** To the extent applicable, under the Omnibus Reconciliation Act of 1980 and in accordance with 42 C.F.R. § 420.300 *et seq.* and with Section 1981 of the Social Security Act (42 U.S.C. § 1395x(v)(1)), until the expiration of four (4) years after the furnishing of services pursuant to any agreement, Contractor shall, upon receipt of a written request, make available to the Secretary of the U.S. Department of Health and Human Services, the Comptroller General, or any of their duly authorized representatives, any agreement, books, documents, and records of Contractor that are necessary to certify the nature and extent of costs incurred by Broward Health under any agreement. If Contractor carries out any of the duties of any agreement through a subcontract with a value or cost of \$10,000 or more over a 12-month period, with a related organization, such subcontract shall contain a clause to the effect that until the expiration after furnishing of such services pursuant to such subcontract, the related organization, upon receipt of a written request, shall make available to the Secretary of the U.S. Department of Health and Human Services, the Comptroller General, or any of their duly authorized representatives, the subcontract, and books, documents, and records of such organization that are necessary to verify the nature and extent of costs incurred by Broward Health by reason of the subcontract.

This RFP Document and all supplemental documentation are available for download at <https://vendor.browardhealth.org/pages/current-opportunities>.

2. PRE-BIDDERS MEETING/SITE VISIT

To the extent applicable, a pre-bidder's meeting/site visit ("Pre-Bidders Meeting") may be held. To the extent a Pre-Bidders Meeting will be held, or to the extent that such Pre-Bidders Meeting is mandatory, it shall be so designated and take place at the date and time provided in the RFP Summary Page, as amended by applicable addenda. A Pre-Bidders Meeting is intended to review the Scope of Work requested in this RFP. Failure of a Bidder to attend a mandatory Pre-Bidders Meeting may result in rejection of the Bidder's Proposal by Broward Health. Because subsequent Pre-Bidders Meetings may not be scheduled, Bidders may, but are not required to, bring subcontractors to the Pre-Bidders Meeting. If a Pre-Bidders Meeting is held, it is requested that Bidders who will be attending the Pre-Bidders Meeting RSVP by sending an email to bids@browardhealth.org. Please include "RSVP – Pre-Bidders Meeting/Site Visit for [Project Name]" in the subject line. It is recommended that Bidders bring a copy of this RFP document to the meeting.

3. VENDOR INQUIRY DEADLINE

Questions regarding the RFP process and/or the Scope of Work must be sent **via email only** to bids@browardhealth.org. Questions regarding the Scope of Work must be sent no later than the Vendor Inquiry Deadline provided in the RFP Summary Page, as amended by applicable addenda. Broward Health will provide a response to all timely-received questions regarding the Scope of Work via a written addendum to the RFP that will be shared with all Bidders by posting such addendum at <https://vendor.browardhealth.org/pages/current-opportunities>. All addenda issued for this RFP must be acknowledged by each Bidder via the Addendum Acknowledgement Form attached to this RFP. If addenda are issued for this RFP and the Bidder fails to submit the Addendum Acknowledgement Form with the Bidder's Proposal, the Bidder will be contacted by the Bids Department and given two (2) business days to submit the Addendum Acknowledgement Form. Failure to submit the Addendum Acknowledgement Form when an addendum is issued or failure to acknowledge all addenda issued for this RFP in the Addendum Acknowledgement Form may result in rejection of the Bidder's Proposal.

Please see the "General Rules and Provisions Governing this RFP" section for additional details regarding communications with Broward Health concerning this RFP.

4. PROPOSAL DUE DATE

RFP Responses **must be received no later than** the Proposal Due Date/Time provided in the RFP Summary Page, as amended by applicable addenda. RFP Responses which are not received by Broward Health's Bids Department by the Proposal Due Date as indicated in the RFP Summary Page (unless amended via an addendum), for any reason

whatsoever, will not be accepted or considered. Any disputes regarding timely receipt of an RFP Response shall be decided in the favor of Broward Health.

5. RFP PUBLIC OPENING

The RFP Public Opening will be held at the date, time, and location specified on the RFP Summary Page, as amended by applicable addenda. There is no Contractor participation during the RFP Public Opening and attendance is not required.

6. EVALUATION AND SELECTION PROCESS

The evaluation and selection process is composed of one to three parts. These parts are as follows:

i. Part A - Evaluation of Written Responses

With the exception of pricing proposals, a committee, organized to evaluate and review RFP Responses (the "Selection Committee"), shall review all timely submitted RFP Responses with respect to completeness, accuracy, and content ("Part A Evaluation Process"). All pricing proposals shall be evaluated and scored by one (1) or more members of Broward Health's Finance Department ("Finance Representative"). Following the Finance Representative's evaluation and scoring of the pricing proposals submitted with the RFP Responses, the Finance Representative shall forward the scores of the pricing proposals to the Selection Committee. The Selection Committee shall thereafter evaluate and score (rank) the RFP Responses in a public meeting based upon the criteria established within this RFP and the scoring provided by the Finance Representative. Bidders will be formerly advised of the Part A Evaluation Process's date, time, and location at least seventy-two (72) hours prior to the Part A Evaluation Process public scoring meeting on Broward Health's vendor website and the "Sunshine Board" located in the lobby of Broward Health's Corporate Offices, 1800 NW 49th Street, Ft. Lauderdale, Florida. Scoring Criteria for Part A Evaluation Process is distributed as outlined in the RFP Summary Page, as amended by applicable addenda. Bidders may be contacted for clarification at any time during the process. To the extent only one Response is submitted pursuant to this RFP, the Selection Committee may award the sole Bidder with a contract without formally engaging in the Part A Evaluation Process.

ii. Part B – Oral Presentations and Evaluation Process

To the extent applicable (as denoted on the RFP Summary Page, or as determined by the Selection Committee during the Part A Evaluation Process), upon completion of the Part A Evaluation Process, the Selection Committee will determine, in the Selection Committee's sole discretion, if any and how many vendors will be invited to Part B Oral Presentations by tallying all the Bidders' scores ("Finalists"). If Broward Health decides to hold Part B Oral Presentations, Bidders will be provided a "short list" advising the Finalists that have qualified and been invited to return for Part B Oral Presentations. Broward Health reserves the right, in its sole and absolute discretion, to award a contract based upon the submitted responses and Part A Evaluations alone and reserves the right to cancel Part B Presentations, and to do so with or without issuing any addenda, even if such Part B Presentations are scheduled or stated in the RFP Summary Page. Nothing herein confers any right to any Bidder for a Part B Oral Presentation. Moreover, Broward Health, in its sole discretion, reserves the right to schedule Part B Oral Presentations even if not stated in the RFP Summary Page and to do so with or without issuing any addenda.

To the extent the Selection Committee decides to hold Part B Oral Presentations, Broward Health will schedule these Part B Presentations and notify the Finalists of the date, time, and location of the Part B Oral Presentations. Prior to the commencement of the Part B Presentations, Broward Health may request that the shortlisted Finalists provide additional documentation and/or information, as well as a revised pricing proposal or "best and final offer" for submission. To the extent that a revised quote or best and final offer is requested from and submitted by the shortlisted Finalists, the revised quote or best and final offer shall be reviewed and scored by the Finance Representative and forwarded to the Selection Committee.

Finalists will be provided an agenda detailing the topics to be covered and additional documentation or information requested, if any (e.g., revised pricing proposal), during the Part B Oral Presentations ("Part B Agenda"). The Finalists will be given approximately two (2) weeks to prepare their Part

B Oral Presentations. The order of the Part B Oral Presentations shall be at the sole discretion of Broward Health. Finalists who are unable to make a Part B Oral Presentation on the appointed date and time may be disqualified. Once the Part B Oral Presentations have been completed, the Selection Committee will evaluate and score each participating Finalist based upon each Finalist's presentation and submission of any requested documents or information as outlined in the Part B Agenda, as amended by any revision to the Part B Agenda ("Part B Presentation Evaluation Process").

i. *Part C – Calculation of Scoring and Ranking for Contract Negotiations*

If Part B Presentations are held, upon completion of the evaluations of the Part B Presentations, the Selection Committee shall complete the Part C Scoring whereby the scores for each Contractor that submitted Responses and participated in the Part B Presentations will be combined and calculated as provided in the RFP Summary Page, as amended by applicable addenda, to arrive at a final total score for each Contractor. Notwithstanding anything herein to the contrary, Broward Health reserves the right to forego Part B Presentations and award solely based on the results of Part A. If Part B Presentations are not held, the scores will be based solely on the submitted Responses and Part A Evaluations.

ii. *Awards and Contract Negotiations*

The CPO, or his or her designee, will review the final results and send notifications of awards and non-awards. Following an award, contract negotiations will commence with the highest ranked Contractor(s) to enter into a contract for the specified term, along with any renewals, indicated in the RFP Summary Page, as amended by applicable addenda. If Broward Health is unable to negotiate a satisfactory contract, for any reason, Broward Health shall formally terminate negotiations with the highest ranked Contractor and shall then undertake negotiations with the second highest ranked Contractor. If negotiations with the second highest ranked Contractor should fail, then Broward Health reserves the exclusive right, at its own discretion, to repeat this process with the remaining ranked Contractors. Should Broward Health be unable to negotiate a satisfactory contract with any of the ranked Contractors, Broward Health shall, at its sole discretion, either cancel or withdraw this RFP or select additional Contractors who submitted Responses in the order of their scoring and continue negotiations in accordance with this paragraph until an agreement is reached.

Notwithstanding anything herein to the contrary, Broward Health reserves the right to award multiple contracts among the top-ranked Bidders that have submitted Responses should the RFP Selection Committee or Broward Health deem this beneficial to and in the best interests of Broward Health. Broward Health also reserves the right, in its sole and absolute discretion and for any or no reason, to reject all Responses and reissue (or not reissue) this RFP.

6. **Modifications:** Under no circumstance may a Contractor modify an RFP Proposal after the Proposal Due Date as noted in the RFP Summary Page, as amended by applicable addenda.
7. **Acceptance of Terms and Conditions:** The submission of an RFP Response shall constitute Contractor's representation to Broward Health that the Contractor is familiar with and agrees to comply with and be bound by the contents of this RFP. By submitting a Response to this RFP, Contractor agrees to accept, and is deemed to have accepted, Broward Health's General Terms and Conditions (as described more fully below) in their entirety without modification or exception and shall be bound to these General Terms and Conditions if awarded a contract under this RFP. No modifications or exceptions to any of the RFP's terms and conditions or Broward Health's General Terms and Conditions by Contractor shall be binding on Broward Health and any such modification or submission of additional terms with Contractor's Response will not be considered and may result in rejection of Contractor's Proposal. To the extent that the Bidder is awarded a contract and the Bidder submitted modifications or additional terms with the Bidder's Response, such modifications or additional terms shall be void ab initio and shall in no way become part of the final contract unless Broward Health otherwise explicitly agrees in writing.

This RFP may contain a Certified Diverse Vendor subcontracting requirement for Non-Certified Diverse Vendors. To the extent this RFP contains a Certified Diverse Vendor subcontracting requirement, it shall be noted in the RFP Summary Page, as amended by applicable addenda. Contractors can obtain a list of Broward Health Certified Diverse Vendors for subcontracting via our online Certified Diverse Vendor Directory at the following URL: www.browardhealth.org/diversity. Should you have any questions regarding Broward Health’s Supplier Diversity Program, please contact the Office of Supplier Diversity (OSD) at 954-473-7205 or email

Supplierdiversity@browardhealth.org. If a Certified Diverse Vendor subcontracting requirement is required pursuant to this RFP, the following guidelines shall apply to any final contract negotiated between the parties.

- a. **Participation Percentage.** The Contractor agrees to utilize Certified Diverse Vendor subcontractor(s) (“CDV Subcontractor”) to perform no less than the percentage of subcontracting work indicated on the RFP Summary Page, as amended by applicable addenda.
- b. **Subcontractor Registration.** All subcontractors utilized by the Contractor to perform any work requested in this RFP must be a registered vendor with Broward Health. It is the Contractor’s responsibility to ensure that all subcontractors are properly registered with and approved by Broward Health prior to utilizing such subcontractor. Registration must be completed in Broward Health’s Vendor Registration System, which can be accessed via Broward Health’s website at www.browardhealth.org/registration.
- c. **List of Subcontractors.** No later than issuance of any Notice to Proceed or any Purchase Order, the awarded Contractor shall submit to Broward Health a list confirming the identity of the proposed CDV Subcontractor(s) that will be participating in the services and/or goods to be provided pursuant to this RFP. The awarded Contractor shall specify the dollar amount for each CDV Subcontractor. Each proposed CDV Subcontractor must qualify as a Certified Diverse Vendor with one of Broward Health’s CDV Certification partners as indicated above. The awarded Contractor shall bind each and every CDV Subcontractor to the terms stated in the final contract and shall require the proper licensing of such CDV Subcontractor.
- d. **Subcontracts.** Within a reasonable time after issuance of any Notice to Proceed or any Purchase Order (not exceeding 30 days), the awarded Contractor shall submit to Broward Health a copy of all fully-executed subcontracts entered into to perform the services or provide the goods requested within this RFP. Broward Health shall be notified of all subcontracts which may terminate during the Term of the awarded contract.
- e. **Monitoring CDV Utilization Report.** Along with the awarded Contractor’s invoice and billing reconciliation report, the awarded Contractor shall also submit a Certified Diverse Vendor Utilization Report (“Utilization Report”). Such Utilization Report shall include the diversity status, the subcontract value and percent, current reporting period payments, payments made to date, and remaining payments to be paid to each CDV Subcontractor. The awarded Contractor shall utilize this Utilization Report to indicate the amount of monetary CDV Subcontractor participation. Further, the last Utilization Report submitted shall also set forth the total CDV Subcontractor participation that was achieved during the entire term of the awarded contract.
- f. **Liquidated Damages.** If the Contractor fails to comply with the Certified Diverse Vendor subcontracting requirement (“CDV Requirement”) of this RFP, such noncompliance shall be a default of the awarded contract and such default shall be considered a material breach of the awarded contract. Broward Health and the Contractor agree that if the actual total Certified Diverse Vendor participation (“CDV Participation”) is less than the CDV Requirement percentage set forth in this RFP, the actual damages for the non-compliance of CDV Participation will be impossible to determine. Accordingly, the Contractor shall pay to Broward Health an amount equal to the noncompliant subcontractor percentage of the aggregate cost of the contract, as fixed, agreed, and liquidated damages, which will be deducted from the next and/or final payment(s) due to the Contractor by Broward Health. Broward Health and Contractor agree that such liquidated damages are not a penalty and bear a reasonable relationship, and are not plainly nor grossly disproportionate, to the probable loss likely to be incurred in connection with not meeting the CDV Requirement. Both parties understand and agree that this liquidated damage clause is only applicable to breaches pertaining to not meeting the CDV Requirement and shall be the sole and exclusive remedy for such CDV Requirement breaches. Both parties further agree that such liquidated damages do not preclude nor limit Broward Health from any other rights, remedies, or damages available to it at law or in equity for any other default or breach of the awarded contract.
- g. **Good-Faith Efforts.** To the extent that an awarded Contractor is unable to meet the CDV Requirement of this RFQ, Broward Health may, upon Contractor’s demonstration of “good-faith efforts” in complying with such requirement, waive this requirement to the awarded Contractor. The decision of whether a Contractor has demonstrated and met the good-faith effort standard, as well as whether the CDV Requirement will be waived (even if the good-faith effort standard is met), is in the sole and absolute discretion of Broward Health.

SECTION IV. BROWARD HEALTH'S GENERAL TERMS AND CONDITIONS

Unless otherwise explicitly stated below, the following terms and conditions are non-negotiable and shall apply to and become a part of any agreement or contract entered into as a result of this RFP. By submitting a Response, the Contractor hereby accepts the following terms and conditions and agrees that such terms and conditions shall govern the relationship between Broward Health and the awarded Bidder during the duration of the awarded contract. Broward Health will consider incorporating any of Contractor's proposed terms and conditions provided they do not conflict with, alter, or modify any of the following terms and conditions. The term "Contractor" in this Section IV. shall mean the awarded Bidder of this RFP.

1. **Tax-Exempt Status.** Broward Health is a tax-exempt entity (State Tax Exempt Certificate No 85-8012646292C-5) and is not obligated to pay sales, use or other similar taxes. If Broward Health is not exempt for a particular tax, it will reimburse Contractor for those taxes. Contractor shall assume full responsibility for payment of all federal, state, and local taxes or contributions imposed or required under unemployment insurance, Social Security, and income tax laws, with respect to Contractor's performance of this Agreement.
2. **Travel Expenses.** Reimbursement, if any, of travel expenses under this Agreement is subject at all times to Broward Health's published General Administration and Procedures Manual in effect. A copy will be provided to Contractor upon request.
3. **Payment.** Invoices shall be submitted to Broward Health, 1608 S.E. 3rd Avenue, Fort Lauderdale, Florida 33316, Attention: Accounts Payable Department and shall be payable forty-five (45) days after receipt of an undisputed invoice, unless otherwise set forth in the Agreement. Notwithstanding the foregoing, any and all invoices shall be submitted no later than sixty (60) days following the month in which services or goods were provided by Contractor. Invoices submitted past sixty (60) days ("Overdue Invoices") shall be deemed waived, not be accepted by Broward Health, and Broward Health reserves the right not to pay any Overdue Invoices. All invoices shall include the following information: contract number, purchase order number, and description of the supplies, products, equipment, software or services to be furnished hereunder as a line item with prices. Transportation when not FOB destination shall appear as a separate itemized item on the invoice. All payment terms shall be subject to Florida's Local Government Prompt Payment Act, sections 218.70-218.80, Florida Statutes. Contractor shall submit an original invoice to Broward Health as outlined herein. Broward Health reserves the right to reject the invoice if it fails to adequately describe the services rendered, goods supplied, and/or travel expenses incurred by Contractor. In the event Broward Health rejects the invoice, Contractor shall submit a revised invoice within twenty (20) days of receiving the rejected invoice. An undisputed invoice shall be payable forty-five (45) days after receipt. Upon written notice to Contractor, payment may be withheld, in whole or in part, for Contractor's failure to comply with a term, condition or requirement of the Agreement. Thereafter, the withheld amount(s) shall be paid upon Contractor's satisfactory demonstration of compliance to Broward Health. All amounts paid by Broward Health to Contractor shall be subject to audit by Broward Health.
4. **Termination.** Unless a different length of time is otherwise agreed to by Contractor and Broward Health, Broward Health may terminate this Agreement without cause upon ninety (90) days written notice to Contractor. Further, this Agreement may be terminated by either party for cause. For purposes of this Agreement, "cause" shall mean any act or omission of either party which is contrary to the other's business interests, reputation, or good will, or for any material breach of this Agreement, and failure to cure such breach within fifteen (15) days following written notice of such breach. Notwithstanding the foregoing, if Broward Health seeks to terminate this Agreement for cause, and Broward Health determines in its sole discretion that the event giving rise to the "cause" determination cannot be remedied or cured, then no cure period will be provided, and Broward Health may immediately terminate this Agreement without any cost, liability, penalty, or imposition of damages. In the event that this Agreement is terminated early for any reason, within thirty (30) days of the termination effective date, Contractor shall reimburse Broward Health for the unused portion of any advance payments made to Contractor by Broward Health in amounts that will be pro-rated. Upon the termination of this Agreement as provided herein, neither party shall have any further obligation hereunder except for (i) obligations accruing prior to the date of termination; and (ii) obligations, promises, and/or covenants contained herein, which are expressly made to extend beyond the term, including without limitation, indemnities and professional insurance coverage.
5. **Owner-Direct Purchases.** Because Broward Health is a tax-exempt entity, rather than reimburse Contractor for the costs of the materials or supplies, which would include sales tax, Broward Health may determine, in its sole and absolute discretion, it is in its best interests to use its tax-exempt status to purchase materials or supplies on its own directly from

its own suppliers or from suppliers or subcontractors designated by Contractor. Contractor understands and agrees that in such event, Broward Health shall deduct from the Agreement the cost of the materials and supplies and the amount of sales tax that would have been owed if Contractor had made the purchase or the actual amount stipulated in the Agreement for such materials or supplies.

6. **Pricing.** Contractor represents that the price charged to Broward Health for all purchases or services made under this Agreement shall be as low as, or lower than, those charged Contractor's most favored customer for comparable quantities under similar terms and conditions in addition to any discounts for prompt payment.
7. **Discounts.** In connection with any discount offered by Contractor, discounts will be computed from date of delivery of the supplies, products, equipment, software or services to the point of destination. Where acceptance of the supplies, products, equipment, software or services for compatibility or operability is necessary, discounts will be computed from the date of acceptance. All such discounts shall comply with state and federal law including, but not limited to, the Anti-Kickback Statute safe harbors.
8. **Gratuities.** Broward Health, may by written notice to Contractor, terminate the right of Contractor to proceed under this Agreement if it is found after notice and hearing by the either the Chief Ethics Officer, Chief Compliance Officer and the Office of the General Counsel, that gratuities in the form of entertainment, gifts, monies, or ownership were offered or given by Contractor, or any agent or representative of Contractor, to any officer or employee of Broward Health, with a view toward securing a contract or securing favorable treatment with respect to the awarding, or amending, or the making of any determination with respect to the performance of such contract.
9. **Compliance and Ethics Program.** Contractor acknowledges that Broward Health has adopted a program to facilitate its compliance with laws and regulations ("Compliance and Ethics Program"). Contractor agrees to participate in Broward Health's Compliance and Ethics Program including, but not limited to, adherence to the Code of Conduct and all applicable written policies, procedures and guidelines of Compliance and Ethics Program, all as may be amended from time to time. Such codes, policies, procedures, and guidelines are incorporated herein by reference and can be found on Broward Health's website at www.browardhealth.org.
10. **Ownership, Financial & Conflict Forms.** To the extent applicable, all financial disclosures, conflict of interest forms, ownership disclosure forms, and other compliance documents submitted by Contractor to Broward Health within six (6) months of the Effective Date of the Agreement are hereby incorporated herein by reference. In the event any information listed in financial disclosures, conflict of interest forms, ownership disclosure forms, and/or other compliance documents submitted by Contractor to Broward Health creates an actual or perceived conflict of interest, such conflict will be reviewed and managed as appropriate given the scope of the Agreement. Failure to adhere to any agreed-upon management plan shall constitute a material breach of the Agreement
11. **Compliance with Laws.** Contractor is familiar with and shall comply with all federal, state, and local laws, ordinances, rules and regulations applicable to the supplies, products, equipment, software or services furnished under or pursuant to this Agreement. The parties acknowledge that there is no obligation of Contractor or any of Contractor's Employees to refer patients to Broward Health or any affiliate of Broward Health, and there is no obligation of Broward Health to refer patients to Contractor or any of Contractor's Employees. The parties intend to comply with 42 U.S.C. § 1320a-7b(b) (the "Anti-Kickback Statute"), 42 U.S.C. § 1395nn (the "Stark Law") and any other federal or state law provision governing fraud and abuse or self-referrals under federal or state health care programs, as such provisions may be amended from time to time. This Agreement shall be construed in a manner consistent with compliance with such statutes and regulations, and the parties hereto agree to take such actions necessary to construe and administer this Agreement in accordance with such statutes and regulations.
12. **Changes in Law.** In the event that there is a change in a statute, regulation or the application or interpretation thereof, or the adoption of new legislation which may otherwise make this Agreement illegal or unenforceable, the parties agree to use their best efforts to agree upon modifications to this Agreement which will make it legal and enforceable. If after using best efforts, the parties are unable to reach any such agreement, then either party may terminate this Agreement upon thirty (30) days written notice to the other party. In the event there is a change in a statute, regulation or the application of interpretation thereof, or the adoption of new legislation which materially affects Broward Health's health care delivery system, the parties agree to use their best efforts to agree upon modifications to this Agreement which will allow a health care delivery system by Broward Health, which is consistent with new trends and beneficial to the

community. If, after using best efforts, the parties are unable to reach any such agreement, then either party may terminate this Agreement upon thirty (30) days written notice to the other party.

- 13. Access to Books and Records.** To the extent applicable, under the Omnibus Reconciliation Act of 1980 and in accordance with 42 C.F.R. § 420.300 *et seq.* and with Section 1981 of the Social Security Act (42 U.S.C. § 1395x(v)(1)), until the expiration of four (4) years after the furnishing of services pursuant to this Agreement, Contractor shall, upon receipt of a written request, make available to the Secretary of the U.S. Department of Health and Human Services, the Comptroller General, or any of their duly authorized representatives, any agreement, and books, documents and records of Contractor that are necessary to certify the nature and extent of costs incurred by Broward Health under this Agreement. If Contractor carries out any of the duties of this Agreement through a subcontract with a value or cost of \$10,000 or more over a 12-month period, with another organization, such subcontract shall contain a clause to the effect that until the expiration after furnishing of such services pursuant to such subcontract, the related organization upon receipt of a written request, shall make available to the Secretary of the U.S. Department of Health and Human Services, the Comptroller General, or any of their duly authorized representatives, the subcontract, and books, documents and records of such organization that are necessary to verify the nature and extent of costs incurred by Broward Health by reason of the subcontract.

Equal Opportunity Employment.** Contractor agrees that it will not discriminate against any employee or applicant for employment for work under this Agreement because of race, color, religion, sex, age or national origin and will take affirmative steps to ensure that applicants and employees are treated fairly during employment without regard to race, color, religion, sex, age or national origin. This provision shall include but shall not be limited to the following: employment upgrading, demotion, or transfer; recruitment advertising; layoff or termination; and rates of pay or other forms of compensation and selection for training including apprenticeships. This obligation shall survive termination of this Agreement.

Contractor agrees to treat Broward Health Information on a confidential basis. Contractor further agrees that it will not, and Contractor's Employees will not, disclose any of Broward Health Information to any person, firm or corporation without Broward Health's prior written consent except: (i) to authorized representatives of Broward Health or (ii) to Contractor's Employees who have a need to access such Broward Health Information to perform the services or furnish the products contemplated hereunder. Contractor shall be subject to all Broward Health obligations relating to compliance with confidentiality laws and the confidentiality of protected health information, as such term is defined under the HIPAA Privacy Rule ("PHI"). Contractor acknowledges and agrees to comply with the statutory and regulatory requirements of the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), Health Information Technology for Economic and Clinical Health Act of 2009 ("HITECH Act"), and the Florida Information Protection Act of 2014 ("FIPA"), all as amended from time to time, and all of which are incorporated herein by reference and made a part of this Agreement, as if they were printed in full herein. Contractor shall not disclose PHI to any other party unless otherwise permitted or

required by the Agreement or as required by law. Contractor shall ensure that each of Contractor's Employees is properly trained in the substance and importance of complying with HIPAA, HITECH Act, and FIPA requirements mentioned above, including the duty to avoid viewing stored materials except as expressly necessary to carry out legitimate job duties. To the extent Broward Health discloses PHI to Contractor under this Agreement, Contractor shall execute a Business Associate Agreement in a form acceptable to Broward Health. To the extent that Broward Health discloses a Limited Data Set, as that term is defined under the HIPAA Privacy Rule, Contractor shall execute a Data Use Agreement in a form acceptable to Broward Health.

- 23. Florida Information Protection Act.** To the extent applicable, Contractor agrees and understands that the services and/or goods provided under the Agreement may consist, at least in part, of "customer records" that contain "personal information," as defined in the Florida Information Protection Act, section 501.171, Florida Statutes (the "Act"). Accordingly, as required by the Act, Contractor agrees to implement safeguards to protect customer records containing personal information, in whatever form retained and stored, from a breach of security. If customer records in Contractor's possession are breached in the manner set forth in the Act, Contractor shall immediately notify Broward Health as indicated herein, and Contractor shall work with Broward Health as required by the Act to assist in any of the following actions: (a) Investigate the alleged breach and determine if an actual breach has occurred, which may include the use of law enforcement officials as needed and as determined by Broward Health; (b) Provide notice to any and all consumers whose personal information has been breached; (c) Provide any and all other notices to governmental agencies that may be applicable under the Act, if a breach has reached a particular threshold as defined in the Act, which may include but is not limited to credit reporting agencies and the Florida Department of Legal Affairs; and (d) Ensure that Contractor's third-party agents are made aware of the Act and any requirements to comply with the Act, and require that those third-party agents that store customer records of Broward Health who also experience a breach notify Broward Health immediately, and work with Contractor and Broward Health as outlined in this section. CONTRACTOR SHALL NOT ACCESS OR OTHERWISE ATTEMPT TO USE BROWARD HEALTH'S SERVERS OR COMPUTER NETWORK FACILITIES (INCLUDING WITHOUT LIMITATION WIRELESS NETWORKS) FOR STORING, PROCESSING OR TRANSMITTING CARDHOLDER DATA. Nothing in this Agreement shall obligate Broward Health to provide Contractor with access to any of Broward Health's servers or computer network facilities, including without limitation wireless networks, and such access for storing, processing or transmitting cardholder data is strictly prohibited. Contractor acknowledges and understands that it will not be provided with sufficient access to Broward Health's network and servers to perform the necessary testing to comply with PCI DSS, and therefore, Contractor should presume that any use of Broward Health's network or servers for storing, processing or transmitting cardholder data will not be compliant with PCI DSS, and therefore, a breach of the requirements of this provision. Broward Health has the right to immediately terminate this Agreement, with no right to cure, should Contractor engage in any unauthorized use of Broward Health's network facilities and/or servers or otherwise store, process or transmit cardholder data in a manner that fails to comply with the PCI DSS standards. Further, any such access by Contractor of Broward Health's servers or computer network facilities may be considered by Broward Health as a violation of state and federal law, and Contractor acknowledges that Broward Health may advise appropriate agencies should it detect any unauthorized use of its network facilities and/or servers. Contractor's indemnification and insurance requirements shall specifically include coverage for the benefit of Broward Health in the event any claims are asserted against Broward Health arising from or otherwise relating to Contractor's storage, processing or transmitting cardholder data.

Whether such liability be in contract, tort, or other theory of liability, Broward Health’s liability shall not be more than the limits established in section 768.28, Florida Statutes. All terms and provisions in the Agreement, or any disagreement or dispute concerning it, shall be construed or resolved so as to ensure Broward Health of the limitation on liability provided to political subdivisions of the State as established in Section 768.28, Florida Statutes, as amended. Nothing in the Agreement shall be construed to require Broward Health to indemnify Contractor or ensure Contractor for its negligence or to assume any liability for Contractor’s negligence. Any provision in the Agreement that requires Broward Health to indemnify, hold harmless or defend Contractor from liability for any other reason shall not alter Broward Health’s waiver of sovereign immunity nor extend Broward Health’s liability beyond the limits established in section 768.28, Florida Statutes, as amended.
- 29. Governing Law, Jurisdiction and Venue.** This Agreement has been executed and delivered in, and shall be interpreted, governed, construed and enforced pursuant to and in accordance with the laws of the State of Florida without giving effect to the principles of conflict of laws thereof. The parties agree that the sole and exclusive venue for any litigation, mediation, special proceeding or other proceeding as between the parties that may be brought or that arises out of or in connection with or by reason of this Agreement shall be Broward County, Florida. Contractor hereby agrees to waive any jurisdictional, venue or inconvenient forum objections to the state and federal courts with jurisdiction in Broward County.
- 30. Attorney's Fees.** In connection with any litigation, mediation, special proceeding or other proceeding arising out of this Agreement, the prevailing party shall be entitled to recover its costs and reasonable attorney's fees through and including any appeals and any post-judgment proceedings. Notwithstanding the foregoing, Broward Health's liability for any costs and reasonable attorney's fees, however, shall not alter or waive Broward Health's sovereign immunity or extend Broward Health's liability beyond the limits established in section 768.28, Florida Statutes, as amended.

- 31. Contractor shall recertify upon execution of the Agreement that it has not been placed on any of the foregoing lists and is authorized to enter into this Agreement with Broward Health.
- 33. To the extent that Broward Health seeks reimbursement from the federal government, whether in whole or part, for any Federal Project performed by Contractor under this Agreement, Contractor understands and agrees that Contractor shall be subject to the terms and conditions of the Federal Addendum: Additional Provisions for Contracts Funded Through Federal Assistance, including Provisions for Federal Emergency Management Agency (FEMA) Assistance, Reimbursement Contracts, which can be found at the following website: <https://browardhealth.org/pages/Contract-Addenda>, and is hereby incorporated herein by reference as if fully set forth herein.

The time for performance shall be deemed extended for a period equal to the duration of such event.
- 35. Non-Waiver.** No inaction upon any breach or waiver of any breach of any provision of this Agreement by any party shall be construed to be a waiver of any prior or subsequent breach of the same or any other provision of this Agreement. Nor will any custom or practice which may grow up between the parties in the administration of the provisions hereof be construed to waive or lessen the right of Broward Health to insist upon the performance by Contractor in strict accordance with the terms hereof.
- 36. Partial Invalidity and Separability.** Each and every covenant and agreement contained in this Agreement shall for all purposes be construed to be a separate and independent covenant and agreement, and the breach of any covenant or agreement contained herein by either party shall in no way or manner discharge or relieve the other party from its obligation to perform all other covenants and agreements herein. If any provision of this Agreement or the application thereof to any person or circumstance shall to any extent be held invalid, then the remainder of this Agreement or the application of such provision to persons or circumstances other than those as to which it is held invalid shall not be affected thereby, and each provision of this Agreement shall be valid and enforced to the fullest extent permitted by law.
