**Q&A**

1. We're currently reporting on the above-mentioned project and I was hoping to get the estimated construction budget? **Broward Health will not be providing budget information at this time.**
2. Would Broward Health consider adding an EPA approved antimicrobial surface protectant that prevents growth of algae, mold, and bacteria for up to 90 days (with 1 application), to further protect the surfaces in this building after all of the remediation work is complete - either as an addition to this bid or developing a separate bid? The product would need to be applied either by Broward Health personnel or a third-party company via electrostatic sprayers. **No, this is not part of this project scope.**
3. To be able to bid must contractor be licensed to remediate mold? **Yes.**
4. Do bidding contracts have to turn in proper licensing requirements for mold remediation? **Yes.**
5. Will the existing furniture be removed and discarded by Broward Health or what is the directive for dealing with the existing furniture and equipment? (Disposed of or cleaned and disinfected if possible). **Infected furniture should be discarded as part of this project scope. Any equipment will be dealt with separately and should not be included in this project scope.**
6. As a non-Certified Diverse Vendor, if we utilize our in-house supplies and labor force for all work, then is the Certified Diverse Vendor Subcontracting Requirement still apply? **As, listed under the Section I – RFQ Summary Page, Part F, Certified Diverse Vendor Subcontracting is a requirement of this RFQ.**
7. Is cleaning the air ducts and air handling units' part of the scope of work? **No.**
