

SURGICAL SPINE NAVIGATION SYSTEM (RE-RELEASE)**REQUEST FOR QUOTATION****ADDENDUM NUMBER: ONE (1)****FEBRUARY 12, 2024**

THIS ADDENDUM IS ISSUED PRIOR TO THE ACCEPTANCE OF THE FORMAL RFQ'S. THE FOLLOWING CLARIFICATIONS, AMENDMENTS, ADDITIONS, DELETIONS, REVISIONS, AND MODIFICATION FORM A PART OF THE CONTRACT DOCUMENTS ONLY IN THE MANNER AND TO THE EXTENT STATED.

Q&A

1. Just want to confirm this is for one navigation station to include an electromagnetic option and one corresponding intra op imaging system. **Yes.**
2. Do vendors need to bid on two (2) complete navigation systems and one (1) complete intraoperative imaging system? **One navigation system capable of performing concurrent procedures i.e., spine, cranial, or ENT.**
3. If vendors submit equipment solutions that are manufactured by another company other than their own, Service and Support needs to be quoted for that equipment as well, correct? **Yes.**
4. Does the 4-year proposal need to include manufacturer service cost on imaging components? **Yes.**
5. Regarding the cost of consumables required for surgery. Should the cost of these consumables be included in the Bid, or will they be billed separately on a case-by-case basis? **Yes, but consumables will be billed on a case by case. Included with your bid response provide a list of consumables that would be utilized with these types of services. This list should include the catalog number, a brief description, unit of measure and pricing.**
